

More liquor licenses in GC than allowed?

By GEORGEANN McGEE
of the Press-Record

Granite City Liquor License Commissioner Mayor Paul Schuler and city aldermen have apparently been exceeding the maximum number of liquor licenses which may be issued, according to city ordinance. They have instead, been issuing "temporary licenses" to some surplus applicants.

Alderman Sam Whitmer, who questioned the number of licenses that have been issued when the council was considering Schnucks' license application Tuesday, said the "temporary license" practice has been in existence for a number of years and is an accepted and approved method of the council.

Whitmer cited the granting of a license to Old China, Inc., as an instance where the special permission of the council was sought by the mayor and given by the aldermen.

According to a 1977 amendment to the city's Alcoholic Liquor Dealers' ordinance, the city is limited to granting 30 Class "A" licenses for alcoholic drinking establishments or combination drinking and package liquor stores and limited to distributing eight Class "B" licenses for businesses selling packaged liquor only.

City Clerk Robert W. Stevens said that since 1977, there have been no amendments changing the number of liquor licenses which can be granted. The 1977 amendment set the numbers of

Schnucks is denied a city liquor license

See page 6

Class A and Class B licenses at their present levels.

According to the city's municipal code book, there are no provisions for special use liquor licenses, other than for short term licenses that can be issued to fraternal, religious or civil organizations for such events as fairs or

carnivals. Such licenses are not permitted to exceed seven days duration.

Currently, at least 46 "A" establishments are operating in the city, exceeding the number allowed in that category by seven, according to city records.

The recent granting of a license to 905

liquor, however, brings the number of "B" (packaged liquor) licenses to seven, still within the package business limit.

Schuler, who as liquor commissioner has the exclusive right to deny or grant licenses without council approval, agreed that more licenses have been issued than permitted under the 1977 ordinance.

Recently, Schuler said, "When we reached our limit... (the) council reserved the right to add on as (they) saw fit."

Both the mayor and Alderman Whitmer indicated uncertainty as to whether or not the 1977 ordinance was amended when other licenses were granted, although no amendments

were found at the city clerk's office.

"If it wasn't done through an ordinance, it will have to be done," the mayor said. "Really, I suppose you are talking about technicalities."

Schuler said he found nothing unlawful in granting licenses which may exceed the ordinance limit, since the council, which has the power to grant licenses, approved the granting of those licenses.

"I think the bottom line has to be income to the city," Schuler said, citing, as an example future income through the new 905 store, which is expected to show gross revenues reaching nearly a million dollars a year.

Vandals cut park funding

By GEORGEANN McGEE

Vandals could ruin the chance for West Granite residents to enjoy their own basketball and tennis facilities at the Granite City Park District's West Granite Park, located on Rock Road.

A series of assaults to playground equipment also may result in residents losing new playground equipment which was erected less than a year and a half ago.

Director of Parks and Recreation David Nolan said he will recommend that the park board approve the removal of playground equipment from West Granite Park if, what he describes as acts, more destructive than ordinary vandalism, do not cease.

For the sake of the children in the area, Nolan said he is continuing attempts to stop the destruction before he brings his recommendation to the park board.

Tuesday night, Mayor Paul Schuler, Aldermen Jake Varadian and Warren Decatur, Fire Chief Donald Fierstein, police representatives and parents of Frasier Junior High School and Logan Elementary School children attended a special meeting called by Nolan to plan a strategy to cope with the situation.

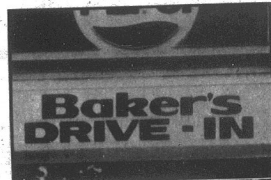

Suggestions from the meeting that Nolan is investigating include a dusk to dawn lighting system to illuminate dark areas and making illegal activities more noticeable to residents, the installation of signs to advise visitors about park restrictions and a better communications system for the park's security force.

Another suggestion Nolan is acting on immediately is the addition of picnic tables to West Granite Park to give young people a place to meet and talk.

The park director said all parks experience some vandalism and share of minor vandalism. The destruction in West Granite Park, however, has been on a major scale and, in some instances, extremely dangerous, according to Nolan.

Recently, park workers have found broken glass at the bottom of children's slides and equipment covered with explicit graffiti. In the latest incident, the leg of a large adult-sized swing unit was pulled away from the frame and bent.

Several people using tools would be needed to detach the leg, anchored in

DRIVE IN? Phillip Mackin, 44, of 2028 Washington Ave., appears to have taken Baker's Drive In sign literally Monday afternoon when his south-bound auto, in foreground, veered from the roadway at Edwardsville Road and 14th Street, sideswiped a utility pole and crashed completely through a storage room at the restaurant, in background. A Granite City police officer can be seen through the building talking with the owners.

Educators' pay hike voted 4-2

By BILL WINTER

Seeking ways to cope with growing deficits, Granite City School Board members Tuesday night voted 4-2 to increase administrators' pay and tie 3-on funding summer curriculum workshops.

Thirty-nine administrators will get the dollar equivalent of 4 1/2 percent raises in 1982-83. But no increments will be paid to them and pension payments will come out of the 4 1/2 percent rather than being extra.

Fringe benefits other than increments will remain the same as in 1981-82.

The increments gradually advance administrators over a ten-year period from inexperienced to experienced status and pay. With administrative increments omitted during the coming year, that pattern will be delayed but not otherwise altered.

Based roughly on the second-year

raises in a two-year 1981-83 teacher agreement, the increases granted to administrators were supported by President George Moore, Secretary Robert Maxwell, Treasurer Dewey Melton and Donald Stucke.

Opposed were Thomas Miosafsky and David Partney. Monroe Worthen was absent.

The 3-3 deadlock on summertime faculty hiring to develop curriculum details saw affirmative votes by Moore, Melton and Stucke and opposition by Partney, Maxwell and Miosafsky.

The workshops proposed were:

- 4 elementary personnel 10 days to recommend an approved list of microcomputer software. (Every school now has at least one computer.)
- 14 elementary teachers 5 days to recommend changes in the reporting procedure of primary and intermediate grade (first to sixth grade) report cards.

Too many breaks to teenage thieves?

One 12-year-old who lives in the 2000 block of 14th Street and a 13-year-old who lives in the 1800 block of Third St., Madison, have allegedly committed five residential burglaries and five thefts in Madison, stealing cash and items valued at nearly \$4,000, and a stole three-speed bicycle from Fairview Heights.

Several residents of Madison have voiced complaints against Associate Judge Lola Maddox for releasing the youths to people who could not control them in the first place, authorities said.

On Monday, May 10, the Madison police arrested the 12-year-old for truancy and possession of marijuana and the 13-year-old for a residential burglary in the 800 block of Iowa St. Madison Police took the boys to the Madison County Juvenile Detention Home.

A hearing was held before Judge

Maddox on Tuesday, May 11, and the 13-year-old was released to parents with alleged strict rules and home detention.

The 12-year-old was to be turned over to Children and Family Services (CFS) as a child in need of supervision by the boy's guardian. When the guardian contacted CFS, the boy ran away from home. Police again found him and took him to Edwardsville for a detention hearing.

Judge Maddox again released the boy to CFS for foster home placement and the boy ran away from the room in which he was waiting at the detention home, authorities said.

Madison Police Chief Donald Bridick and Patrolman Richard Asperger again apprehended the 12-year-old on Wednesday, May 12, in

Job drive stresses local assets, unity

By BILL WINTER

A team effort to expand job opportunities here was discussed at the May prayer breakfast Wednesday and is to be the topic of an economic development seminar May 26 and a June breakfast.

Labor, business and governmental participation was emphasized in the discussion, and the major focus is to be on job growth rather than on economics or organizations or structure.

Cooperation by diverse groups and all segments of the local community was said to be an essential ingredient for a successful job campaign.

Principal speaker was Alan Richardson, and Drew Karandjeff served as moderator.

Also addressing the gathering was Carl E. Mathias, Madison County service area manager of Illinois Power Co., the electric and natural gas utility which conducted a series of four economic development training sessions here this spring.

Richardson said much interest and involvement were stimulated by the meetings, where attendance grew

steadily from about 20 to 87.

Initial coordinators include: labor, Arthur Griffin and Donald Partney; marketing, Melvin Williams; government liaison, Drew Karandjeff; government liaison, Leo Konzen; transportation, Carl Rant; and Ronald Weobling; available sites and buildings, Dr. Robert Koepke; utilities, Mathias; and industry, James Stack, William Donovan, Terry Seabolt and Mathias.

Additional leadership is to be recruited in the coming months.

Quad-City shipping advantages, economies and facilities were said to be a key element around which a job development drive can be built.

Other local assets mentioned were central location in the Midwest and nationally, the presence of a young and skilled pool of workers, and high local productivity in relation to costs.

An integral part of the job development effort will be determination of industries whose products, materials and processing could dovetail well with existing local manufacturers.

Unity of purpose will be encouraged (Continued on Page 7)

Boy, 12, is found dead

Richard Lee "Ricky" Barr, 12, of 2533 Edwards St., was found without signs of life there at 6:30 p.m. Wednesday, May 19, 1982, and was pronounced dead at 6:40 p.m. at St. Elizabeth Medical Center.

Discovered lying on the floor of an upstairs closet, he failed to respond to resuscitation efforts by family members, an ambulance crew and hospital personnel.

A clothes rod and a tie were taken as evidence.

When found unconscious, lying face down, the boy had a large cut or gash on the forehead and there were marks on his neck.

Relatives had left at 6 p.m. to go shopping for shoes and a tape recorder, and he had gone to his room after expressing mild disappointment that there was nothing on the list for him.

When family members returned home, a search was made and he was found. An autopsy is planned.

Funeral arrangements may be found in today's obituary column.

Rainbow Doll Review May 22

The third annual "Rainbow Doll Review" will be Saturday, May 22, at 7 p.m. at the Granite City Township Building, 21st and Delmar Avenue.

There will be a parade of girls and boys, dressed in party dress or suit, across a stage being viewed by impartial judges on personal traits. The contest is designed so every contestant will be a winner, a spokesman said.

Tickets may be obtained at the door and are priced at \$1.50 for adults and 75-cents for children under age of 12. There will be an intermission, during which refreshments will be available.

Proceeds will go to the Christian Academy of Greater St. Louis. The event is sponsored by the Granite City Chapter of the academy.

LOOT IS RECOVERED
Police recovered a revolver, a 12 gauge shotgun, two gun cleaning cases, a revolver carrying case and two holsters taken in a burglary last week at the home of Donald Hamilton, 2810 Lincoln Ave. The intruder broke a kitchen window.

Baptismal service at Nameoki church

The Covenant of Baptism was celebrated last week during morning worship services at Nameoki Presbyterian Church, with parents, grandparents and friends observing the baptismal ceremony.

Children being presented by parents of the congregation for baptism were:

Jason Dale, son of Steven and Linda Fuller, Justin Gentry, son of William and Margaret Kuenkler and Suzanne Marie, daughter of Daniel and Kathy Rogers, all of Granite City; and Laura Elizabeth, daughter of John and Mary Elizabeth McGarity of St. Louis.

The Nameoki church through its ruling body—the session—has appointed a new building committee to prepare plans for the growing needs of its congregation, according to the Rev. Don F. Pierson, pastor.

Those named to the committee are Bill Widows,

chairman, and David King, Eugene Flinn, Beverly Scroggins, Larry Haughey, Fred Fosselock, Marilyn Kluck, Don Adams and Pastor Pierson.

The minister announced a new church van has been purchased through the Jeanelle Bagl Memorial Fund. The vehicle will be under the supervision of the Spirit Sails young adult group.

Plans also call for an expanded ministry in the Sunday school, youth fellowship and several other areas, the pastor stated.

The current series of messages, based on the theme, "Journeys of Faith," will conclude Sunday, May 30, when new members will be received into the church. Rev. Pierson said the public is invited to attend church school and an adult coffee hour, beginning at 9:30 a.m. Sunday, and morning worship services, starting at 10:45 a.m.

HAWKINS TRIPLETS together at last. The children of Mr. and Mrs. Clarence D. (Kathleen) Hawkins of East Alton, they were born on the Thanksgiving Day at Barnes Hospital, three months premature of expected birth date. Local students graduate from Western Ill.

Three Granite City students were among 1,279 undergraduate students who received degrees during commencement exercises at Western Illinois University, Macomb, during the weekend.

James M. Carmody, 1704 Garfield Ave., received a bachelor of science degree in arts and sciences—teaching education and Denise Marie Flaugh, Rural Route One, Box 1036, and Cynthia Ann Keller, Rural Route Two, Box 1044, Granite City, received bachelor of science degrees in applied sciences.

U.S. Secretary of Agriculture John Block received an honorary doctorate and addressed the graduation class. In addition to the undergraduate degree, 203 graduate students completed degree requirements during the spring semester.

WALLETS STOLEN AT MADISON HOMES

Dennis R. McKee, 1021 Washington Ave., Madison, reported that an unknown person took a wallet containing papers and \$30 cash from her purse, which was inside her home, last week. Anna Lesko, 1037 Washington Ave., Madison, reported a similar incident also last week. She said \$80 in cash was taken from a black wallet and about \$15 in silver change was taken from a plastic container in the bedroom. Both women were working in their yards at the time of the thefts.

ARREST AFTER CHASE

Dennis R. McKee, 17, of 1301 1/2 Edwardsville Road was charged with disorderly conduct after allegedly fleeing when police tried to question him in the 2900 block of Madison Avenue last week. Captured after a foot chase into St. John's Cemetery, he was released on \$32 bail that afternoon.

Girl Scout Day Camp set June 21

River Bluffs Girl Scout Council will be holding Day Camp again this year for Granite City, Madison, and Venice, area Brownies, Juniors, Cadettes, and any non-registered persons interested in attending.

According to Lynn Ross, Day Camp director, the camp will be held from June 21-25, at Camp Torque — a council owned site near Edwardsville. A fun-filled week with new and exciting activities mixed with the "tried and true" has been planned.

The cost for registration is \$10 per person and \$7 for the bus fee. Any non-registered persons would pay an additional \$6.00 for insurance. Various bus stops have been established and, once registered, a schedule will be mailed to you. Buses depart in the morning and return in the afternoon each day.

Call the camp registrar at 452-0514 or the camp director at 877-8167 for information and applications.

Woman hurt on Garfield

Rose P. Fetter, 57, of 1715 Garfield Ave., was struck by an auto in front of her home at 7:25 p.m. Tuesday. She was taken by ambulance to St. Elizabeth Medical Center and was reported in stable condition Wednesday.

According to an official report, Brenda L. Allen, 18, of 1515 Clark Ave., had stopped her vehicle and was talking to Charles J. Fetter, 18, of the Garfield Avenue address.

Mrs. Fetter apparently started to cross the street in front of the Allen car as the vehicle moved forward, hitting her, the report stated.

Music concert at Central Baptist

A sacred musical concert will be presented at 6 p.m. Sunday, May 23, at Central Baptist Church, 3910 Highway 111, according to an announcement by the pastor, the Rev. Wayne Munnies.

Larry and Jeanette Rudder, well known recording artists, will perform for the evening. They make their home in this area and Michigan when not traveling as evangelists. Both are currently enrolled at Southern Illinois University at Edwardsville, the host minister added.

Vandals cut funding

(Continued from Page 1)

The sporadic acts of vandalism seem to be occurring late at night when the park is deserted, Nolan said. He guesses the unknown vandals are at least high school age and could possibly be young adults, judging by the scope of the destruction. "I can guarantee you I would throw the book at them," if arrests were made from vandalism, Nolan said.

He said the new playground unit at the park cost taxpayers about \$12,000 and the repairs also are coming from the taxpayers' pocket. "It's costly to the park district when you have to make continuing repairs," said the director, who called vandalism, in general, a national pest.

Vandalism was responsible for the park board's decision this year to put on concrete, from the frame.

No one has yet been caught in the act of vandalizing the park's property, despite the stepped up scrutiny of the park's own security guards and the cooperation of the Granite City Police Department.

Tuesday night, after the meeting, police arrested a man at 9:25 p.m. for driving under the influence of alcohol near the West Granite Park baseball diamond. The headlights of his car were not on, according to the police reports.

A few blocks away, at Triangle Park, police later that night arrested a 15 and 17-year-old for being minors in possession of alcohol. The pair was allegedly drinking beer while sitting on park swings.

hold already approved West Granite improvements, including a basketball court and an adjoining tennis court. A tree landscaping project also was delayed for the same reason.

Nolan has set no deadline to remove the playground equipment if the vandals are not apprehended. He said neighborhood residents showed good faith by attending the meeting on the problem.

What the park district needs now, if the West Granite Park area is to remain a viable recreation area, is the cooperation of the community. After Tuesday's meeting, Nolan feels that the residents' partnership in the drive to stop the vandalism, and save the park, has already begun.

Red Cross convention opens Monday

The 57th national convention of the American Red Cross opens in St. Louis, Monday with approximately 2,500 delegates expected.

The three days of sessions will take an in-depth look at such various Red Cross services as disaster relief, nursing and health, blood, youth and safety. The main focus, however, will be on the Red Cross image based on a just-completed survey on the subject by the Louis Harris public opinion organization.

Two events, sponsored by the St. Louis Bi-State Chapter, will demonstrate the services Red Cross offers to the community. The St. Louis Bi-State Chapter of American Red Cross is hosting the convention.

The last Red Cross national convention held here was in 1956, for the organization's 75th anniversary. This is the 101st year for Red Cross, founded in 1881 by Clara Barton. On Sunday, a disaster drill on the Riverfront at 5:45 will show the immediate assistance which helped make Red Cross famous. On Tuesday, May 25, a luncheon exposition at Keener Plaza features blood pressure screening and demonstrations of the newest Red Cross activities. There is no admission charge and the public is being invited.

Time to check for canine heartworm

Although mosquitoes are only beginning to arrive, veterinarians are warning that canine heartworm disease in the state's dogs may now be showing up from last summer's disease-carrier mosquitoes.

Canine experts among the membership of the Illinois State Veterinary Medical

Association (ISVMA) are spotting more signs of the disease this spring—and they blame 1981's wet summer for all the mosquitoes.

Severely infected dogs develop shortness of breath, coughing, weakness, and eventual cardiac arrest. Heartworm disease is passed from dog to dog by mosquitoes transmitting microscopic immature worms.

Heartworm disease in dogs takes from six to nine months to develop, veterinarians say, and dog owners may not be aware of any problems unless they are checked from time to time. The adult heartworm is from 6 to 14 inches long and lives in the right side of the dog's heart and adjacent main artery, where they sooner or later block the flow

of blood to the animal's heart.

Heartworm disease is preventable, the Illinois State Veterinary Medical Association reports. If a dog is brought to a veterinarian early enough for a check-up and treatment, and unless a dog is severely affected, a veterinarian can usually treat it successfully.

Worms in infected dogs can usually be eliminated by injecting medication into the dog's blood stream. The adult worms are removed, the veterinarians say, the baby worms can be removed with another medication, after which a program of preventative treatment can be begun.

And the ISVMA veterinarians recommend the preventative treatment be begun now, prior to

mosquito season. In Illinois, dogs with heartworm have been discovered in every county of the state. ISVMA veterinarians say that hunting and "outside" dogs have the highest incidence of the disease; however, veterinarians do report positive cases from the so-called "inside pet."

EARN SCHOLARSHIP TO CULVER-STOCKTON

Shari Easley, a senior at Granite City North High School, has been awarded enrollment and social science divisional scholarships to attend Culver-Stockton College, Canton, Mo., next fall.

Miss Easley, the daughter of Donna Sue Brown, 152 Big Four Place, Mitchell, and Joseph Easley, 5169 Lakeview Drive, Pontoon Beach, has been active in varsity tennis, National Honor Society, Modern Music Masters, Social Studies Club, DECA and cooperative education while in high school. Miss Easley intends to major in the pre-law program at Culver-Stockton. Culver-Stockton is a four-year coeducational liberal arts college, affiliated with the Christian Church (Disciples of Christ).

Educators' pay hike

(Continued from Page 1)

—6 junior high personnel 10 days to develop a unit of study skills suitable for the various educational disciplines.

—6 junior high instructors, a sixth grade teacher and a high school English teacher 10 days to develop a syllabus for junior high literature and to evaluate suitable materials.

—20 senior high personnel 3 days to develop accelerated sections for 4 existing courses and 6 components of the "senior" course, as part of the district's new honors program.

—2 senior high personnel 10 days to develop a syllabus and select materials for a new junior honors English course.

—4 senior high faculty members to develop "B" level sections of civics, consumer, home management, American history and health courses. (There currently are "B" sections or the equivalent in all other required disciplines.)

Total cost for all of the workshops would be \$14,376.

Warren Collins, administrative assistant for instructional services, noted that the Committee on Improvement of Instruction set up in cooperation with Teachers Local 765 completed its annual survey of curriculum needs this month.

The 1982 summer workshop sessions were recommended by the committee, Collins and Supt. B. J. Davis. The latter called the workshops "the only time the school district spends any money on curriculum updating."

Melton called the plan helpful "research and development" but Mofsky said the financial outlook necessitates emphasis on cooperation, such as efforts to do some of the updating during the regular school day.

"We have tried to be cooperative on other matters," Mofsky said in urging that administrators seek faculty cooperation. Collins said much voluntary time already has been given but that some of the curriculum tasks justify one or two weeks' summer work.

Mofsky said that in weighing benefits against costs, he does not view some of the current proposals as urgent.

Maxwell singled out the proposed use of 14 teachers for a full week as an excessive amount of time to evaluate and improve report cards.

Mofsky said curriculum workshops have been held each summer since he has been on the Board of Education, indicating board support for the concept, and added that some of the 1982 tasks could be delayed.

Development of the curriculum is one of the most important things done by the district. Relatively new materials need some evaluation and fine-tuning.

Partney compared the \$14,376 cost with a \$600,000 deficit and said the saving could be useful.

Maxwell indicated he could support some of the workshops, such as those related to the honors program.

He recalled opposing the honors plan as being beyond the district's known financial ability, but noted that the program has received majority board implementation.

Maxwell, a former teacher and administrator, challenged use of "B" level courses as being too extensive "if high school diplomas are going to continue to mean something."

He added that, historically, classes for low

achievers have involved smaller class size and thus higher cost.

The superintendent and curriculum coordinator pledged to keep costs comparable, and Davis said the schools must meet the needs of "those who fall through the cracks in the floor, qualifying for neither regular classes nor special education."

Collins said the schools "track" students by assigning them to differing proficiency-level classes beginning with the first grade, and need to do the same at the high school level.

Supt. Davis commented that "B" classes are essential for some students to learn enough about social studies and health during their high school years, and Collins said such instruction reduces the number of failures and helps instill a "sense of success" in young people.

Mofsky cited monthly departmental meetings attended by teachers, and weekly conferences between principals and department heads.

A principal responded that teachers are obligated to be present only 15 minutes before and 15 minutes after the normal school day.

The vote on the workshops followed, with Mofsky emphasizing that he "takes a backseat to no one" regarding his support of educational processes but that he feels "my points are valid."

With the motion to finance the work falling to pass, it was indicated that the topic may be reconsidered in a modified form June 1.

The early- and mid-summer meeting schedule was set as June 1 and 29 and July 13, with the next regular session after that on Aug. 3.

Teenage breaks?

the 2000 block of 14th Street, in Granite City.

A hearing was held on Thursday, May 13, by Judge Maddox and the child was released to CFS Services for assignment to a foster home in Granite City.

The 12-year-old was reported missing from the foster home along with the 18-year-old, who was reported missing from his residence on Friday, May 14.

From Friday, May 14, through Monday, May 17, there were five daylight burglaries committed through unlocked doors.

The two were stopped by the Houston, Mo., police last Monday, May 17, walking on a highway. They were questioned and taken to Rolla, Mo., and Madison police were contacted. The Madison Police Department had to send officers to Rolla, Mo., to pick up the two youths up.

On Tuesday, May 18, they were taken before Judge Maddox again, and the two were placed in the Madison County Juvenile Detention Home for another hearing.

Chief Bridick said the two would see people working in the yards of

their homes and the youths and go into the house through an out-of-sight door and "relieve" the residents of cash or possessions.

With summer here and many people working in their yards, Chief Bridick is asking Quad-Cityans to keep the doors of their homes locked, even though they are on the property.

Arrest for exhibitionism

Kenneth G. Escott, 48, of 1642 Spruce St. was arrested at 7:45 p.m. Monday near a store at 3000 Madison Ave., at the same location where he allegedly stood three nights earlier clad in a shirt, high heels and knee-high women's hosiery.

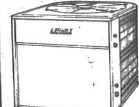

Charged with indecent exposure, he was freed on \$102 cash bail.

When the 8:45 p.m. May 14 incident was reported, an auto with a Missouri license was traced to his name.

When he was arrested this week, the car had no license plates but an Illinois license applied for receipt.

It is alleged that Escott entered the store on one occasion, calling attention to his hosiery, and later sought to attract a store employee's attention while Escott was outside the building.

Car crashes through part of restaurant

In a spectacular crash at 2:45 p.m. Monday, a southbound 1972 auto left Edwardsville Road, traveled 120 yards and plowed all the way through a restaurant building at 1871 Edwardsville Road.

The two-door car of Phillip J. Mackin, 44, of 2028 Washington Ave., had crossed 14th Street and the Baker's Drive in parking lot before hitting an Illinois Power Co. utility post.

Debris from the post scratched a chrome muffler on the left side of the parked van of Lola Baker, 2299 Monroe St.

Continuing on after sliding the power pole, Mackin's auto struck a storage room area of the restaurant, traveled through the building, and emerged into the lot on the south side, halting 15 feet away from the structure.

No injuries were reported. Police charged Mackin with driving while under the influence of alcohol.

Two charged with burglary

A residential burglary charge was filed this week against Donald L. Dermott, 18, of 1628 Delmar Ave. for allegedly burglarizing a home in the 2800 block of Dodgewood Drive May 14.

Named during the weekend on an identical charge in the same case was Norman Ray Lucas Jr., 17, of 1718 Delmar.

Each pleaded innocent at 5 p.m. Monday at a hearing in which \$25,000 bonds were set, and the two were taken Tuesday to the Madison County jail.

Schnucks denied license for packaged liquor sale

Schnucks food store was denied its request for a packaged-liquor license as the Granite City Council reaffirmed its backing of the city's unwritten law prohibiting the sale of alcoholic beverages in grocery stores.

Only two aldermen, Paul Plank and Carl Kittle, of the 14-member council voted against a council motion to deny the license request, despite a presentation by a Schnucks marketing vice-president.

As city liquor license commissioner, Mayor Paul Schuler makes the final decision on the granting of licenses, but the council's opinion sought by the mayor effectively killed the license request.

Aldermen listed protection of marginally profitable taverns, protection of small children from liquor displays, and the fear that numerous other stores will clamor for licenses as some of their reasons for standing firm on the license denial.

According to Schuler, the only law governing liquor licenses is the ordinance limiting the number of licenses the city will grant at any one time. Schuler told the Schnucks representative that council approval was the only real barrier to the license request.

"The tradition has been we've had no liquor in grocery stores or any kind of food shops," the mayor said. Alderman Sam Whitmer said the tradition of limiting liquor licenses dates back to the late Mayor Leonard Davis (serving 1949 to 1965) and his fear that, without the

limitation, taverns would be too numerous in some neighborhood areas.

"This has worked real well," Whitmer said. According to the aldermen, if Schnucks were granted the license, there would be no way to stop the multiplication of liquor stores in some sections of the city.

Schnucks Vice-President Warren Follansbee, who said he has been discussing the matter with the mayor since February, told aldermen that his request was prompted by the council's recent granting of a license to 905 liquor stores, which are located less than a mile from the Schnucks store on Nameoki Road.

Follansbee called the 905 store a "mini-supermarket" selling many food products unrelated to packaged liquor, although he said the aim of Schnucks is convenience to shoppers, rather than profits for the food store.

"Maybe it's time to look deep into this thing (licensing policy) and open it up," he told the aldermen.

His request appeared in direct opposition to the stand taken Tuesday by some aldermen, including Whitmer, Paul Ray Bowler and Casmer Schuler.

Bowler, who made the motion to deny the request (seconded by Alderman Sharon Perle), said, "There seems to be a great undercurrent of people who don't want to be bothered with that type of thing." Bowler said the informal ban on liquor in grocery stores is intended to protect those

under 21 from exposure to alcohol in stores they might frequent.

A license to Schnucks would further burden some small liquor store now struggling to survive, said Skubish. He said three stores in the city might be affected immediately, if the request were granted.

After the negative vote, Follansbee asked the aldermen to reconsider the license request in the future. He said the store intends to matter with the mayor since February, told aldermen that his request was prompted by the council's recent granting of a license to 905 liquor stores, which are located less than a mile from the Schnucks store on Nameoki Road.

Fatal accident

Shelby Swift, 79, Collinsville, was fatally injured when he was struck by an auto at 3 a.m. Wednesday while he was walking on Interstate 55-70, a quarter-mile west of Route 157.

Stephanie L. Ng, 19, of Jackson Heights, N.Y., was driving in the eastbound lane of 157 when her vehicle struck Mr. Swift, according to Illinois State Police (ISP). By the time the driver stopped, two or three other vehicles had run over the elderly gentleman, witnesses said.

Mr. Swift, who was described by family members as "a known wanderer," was pronounced dead at the scene at 3:50 p.m. by Dick Mizell, deputy coroner for Madison County.

No charges were filed against the driver.

Job drive stresses

for job growth efforts here, as well as increasing realization of their importance.

Tri-City Port Manager Carl Rantich continued growth of port-related projects and Richardson underscored the present and future job impact of the port and its foreign trade zone.

Both called for cohesive, coordinated

work by the job growth committee—a "rifle" approach rather than "shotgun" efforts to attract all types of employers.

Karandjoff said the early 1980s are a crucial time for the bolstering of Quad-City area population, employment and economic growth.

County supports Weber plan for making inmates pay

By JIM SCHLUETER

Boone County Board voted unanimously Wednesday to support State's Attorney Don Weber's efforts to make inmates pay for their room and board.

Weber said he will strongly enforce provisions of a new state law allowing the county to collect from prisoners. However, the judiciary committee Chairman William Haine says he fears the state's attorney may waste funds by filing suits against criminals who don't have the money to pay.

"I have doubts about this idea, although I agree that those who are convicted and have the money to pay should pay for the expenses of the people," Haine said. Wednesday, "Symbolism is important, but I don't want to waste the taxpayers' money," he added.

The new state law goes into effect July 1. Weber told the board that there are a number of inmates who could pay. He also said a system where the county hires private attorneys to handle the cases, for one-third of the expenses sought by the county, would keep the county from pursuing indigent inmates.

He also said that fines aren't helping pay the jail's

costs, because judges are not imposing enough fines for felony convictions, even if the convicted felon has the ability to pay.

"We have just convicted a pimp in St. Louis who had a 1972 Olds, a 1979 Cadillac and had paid \$5,000 on a 1981 Cadillac, and the judge imposed no fine," Weber said. "And a 13-year-old girl said she had collected \$10,000 for him in three months."

Daily costs per inmate at the jail average \$40 a day and only inmates convicted of crimes can be forced to pay. The ability to pay is to be decided in small claims courts.

In other action, the board approved a resolution from the judiciary committee calling the transfer of an assistant public defender to the circuit court. According to Haine, this will eliminate the need for the county to hire a private attorney in cases where there are conflicts in the public defender's office.

Haine said the circuit clerk has \$27,000 budgeted for the hiring of private attorneys, but the hirings will cost the county up to \$54,000 this year.

Venice joins list abandoning the Granite City ambulance service

By MICK STRANGE
of the Press-Record

The Venice City Council in action taken Tuesday night formally cancelled the city's agreement with the Granite City ambulance service. The cancellation is to become effective in 30 days.

A brief letter to GC Mayor Paul Schuler, approved by the council and signed by Venice Mayor Tyrone Echols reads: "As per the contractual agreement, I am informing you that the City of Venice, Ill., is hereby giving you the required 30-day notice to terminate our ambulance contract with you. I wish to express my thanks for the service rendered and I regret that it has become financially impossible for us to continue the service."

Namooki Township and the Village of Pontoon Beach also have terminated contracts with the GC service, due to the high fees charged by GC for ambulance service.

Mayor Echols advised the council Tuesday night that presently he is in contact with Officer Funeral Home and Glenn ambulance services, both of East St. Louis, for primary services, both of which plan should be presented to the council within two weeks.

Although nothing specific has been

discussed, it was noted that Venice may enter an agreement with the Madison ambulance service as a "backup" service. Madison began operating its own ambulance service on a full time basis several months ago.

Under new fees presented by Granite City, Venice would have to pay \$10,531 yearly, or \$877 a month, to support Granite City ambulances, in addition to accepting an increase in ambulance fees, in order for the service to continue.

"These charges are totally unreasonable and we just can't afford them. It is obvious they (Granite City) don't want to service this area. They have made that quite clear," Echols stated.

In other business, Mayor Echols made several additional city appointments. Dale Crawford was reappointed maintenance supervisor for the McKinley Bridge, Willie Dumas was reappointed to a two-year term on the Venice Police Pension Board, Harry Seldon was reappointed full time city hall custodian and Denitha Woods was reappointed part-time custodian. The police report for the month of April indicated that \$2,204 was collected in fines and a total of 72 arrest were made.

The Venice police were highly praised by several aldermen for issuing numerous traffic tickets to motorists for speeding, violating stop signs and other violations.

The McKinley Toll Bridge traffic report showed that 354,543 vehicles crossing during April, for a daily average of 11,586, which is an increase of 645 vehicles using the bridge compared to April 1981.

Mayor Echols announced that he has heard from Southern Illinois University Edwardsville and the city will be getting some assistance in searching for grants which may be available.

Representatives from the Illinois Department of Conservation will be meeting with the mayor and other city officials to make a field examination at 1 p.m. Thursday of the boat access area.

Plans are being considered by the state for improvements and possibly making the area into a secondary park.

Mayor Echols announced that plans for the reorganized Venice city government were going well and there seems to be much support to get the group organized and active again. The first meeting is planned for Thursday, May 27.

County board refuses Portell wage hike

By JIM SCHLUETER
The Madison County Board, following a strongly-worded recommendation by Chairman Nelson Hagnauer of Granite City, Wednesday voted down a request by Circuit Clerk Willard "Butch" Portell for a \$3,000 raise.

Portell asked for the pay hike because of his work with the state IV-D program that uses divorced or out-of-wedlock fathers who are not supporting mothers and children in Illinois Public Aid.

The program netted the county \$14,000 last year, and Board Member William Haine of Alton proposed that

Portell be rewarded with a raise.

Hagnauer did not agree and, although he dismissed any "personality differences" between Portell and the board, he blasted Portell for suing the county last July for more office space. The suit still is pending.

"I think we should take that \$3,000 and pay the attorney fees because he sued us," Hagnauer said. "I'm not in favor of it (a raise) and I don't think it's deserved."

The board defeated the pay hike request 10-4. Haine thought Portell should have received the

raise, because the clerk undertook the IV-D program, which not only means more work, but also brings in revenue to the county.

Under the program, the state's attorney prosecutes men believed to be delinquent in supporting their children and the children's mothers if the dependents are on public aid.

If convicted, the fathers must reimburse public aid through the circuit clerk's office. The state then rewards the county by giving the county a percentage of the public aid reimbursement.

"If an official is ambitious enough to pick up programs

to help the people, he should be paid for it," Haine said.

Haine also said Portell is making less than 15 appointed county officials and, as an elected office holder, he should get more money than appointees.

"Regardless of who the circuit clerk is, he is elected by the people and he must receive more money because of his status," Haine said.

"Priority should go to one who has his job as a gift from the people, not one who has been appointed by the powers of government," he contended.

Portell, who makes \$28,000 a year as circuit clerk, said the increase would help his

pension, but he said his main reason in asking for the raise would be to benefit other circuit clerks throughout the state.

He said that if other clerks see him getting compensated for undertaking the IV-D program, they also will start the program in their counties.

"This vote will be known throughout the state," Portell said, adding, "No one in this room can say the program is not successful. It's a big money maker for this county."

Liquor licenses

(Continued from Page 1)

The only persons who might be upset about the city exceeding the license ordinance, according to the mayor, would be those in direct competition with the new businesses. He called any such opposition, "self-serving...to say the least."

The mayor said he agrees with the idea of limiting the number of licenses in the city. "There has to be some controls put on." As an example, he said, "I don't support...wouldn't support liquor licenses for the grocery stores and quick shops."

Alderman Sam Whitmer contended that when a temporary license is

granted, the total number of licenses allowed in the city is not permanently increased. The number of licenses is simply reduced by one if the special license is not renewed.

The annual fee for either a Class A or B liquor license is \$600, to be paid at the time of the application. If the business taking out an "A" license also sells packaged liquor, the fee is \$750 annually. Each license must be renewed by May 1.

The mayor has exempted from the \$600 payment the Granite City Steel Management Club, a salaried employees' club located on 20th and State

streets. According to recently-renewed city licenses, at least 10 slots have been allowed to pay for their \$600 to \$750 licenses on the installment plan.

23 MILLION CLAIMS

During the 1981 fiscal year, 23 million initial claims for unemployment insurance were filed with state employment security agencies, according to the U.S. Department of Labor's 68th Annual Report.

Pontoon cleanup schedule

Pontoon Beach officials are hoping for a cleaner village after a cleanup drive which will begin Saturday, June 5, and will continue each Saturday through June 26.

Survivors of Thomas Jobs

Among the survivors of Thomas Jobs, 55, of 1008 Kirkpatrick Homes, not listed in the obituary column in a previous issue, is a son, Jeffrey Jobs of Vienna, Ill.; three daughters, Nancy Gessup and Sharon Rogers, both of St. Louis, and Linda McNeen of Cahokia; a stepdaughter, Mrs. Marie Winter of Jacksonville, Fla., and 14 grandchildren.

Mr. Jobs died 5:17 p.m. Sunday, May 9, 1982, at St. Elizabeth Medical Center, where he had been a patient for four days.

Funeral services were held at 9:30 a.m. Wednesday, May 12, at Lahey-Sedlack Funeral Home, 801 Madison Ave., Madison, with burial in National Cemetery, Jefferson Barracks, Mo.

Residents of the village are being asked to check the schedule for the cleanup day in their precincts and to place all trash and debris in front of home for pickup.

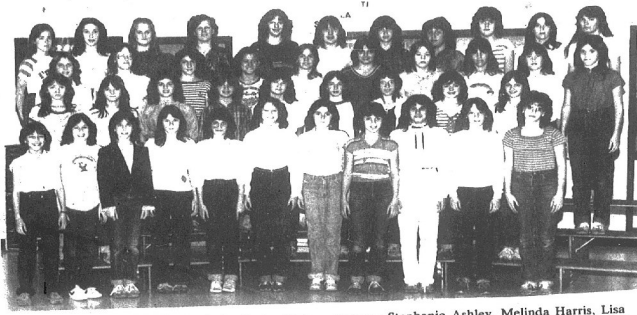

The village Community Development Committee and Nameoki Township are organizing the cleanup drive to rid the village of old tires, furniture, washers and other trash and debris.

Questions about the types of items which will be taken may be referred to the village hall, 931-0738.

Following is the scheduled date of pickup, by precinct.

June 5 Precinct 9
June 12 Precincts 1 and 7
June 19 Precinct 8
June 26 Precinct 10
Nameoki Township Supervisor Harry Briggs is requesting all village residents to clip the above schedule and keep it handy, so they will not forget to put the trash in front of their homes on the proper pickup dates. Persons who are unsure of their precinct may consult their pink voter registration cards.

HOUSE BURGLARY
A piggy bank filled with half dollars was broken and the money taken with a 1971 lady's class ring, lady's dinner ring, sapphire earrings and a silver pocket watch, with an approximate value of \$225, at the home of Craig Signall, 2505 Benton St., it was reported by the owner. Entry was apparently gained through a living room window on the front porch, which was found open.

GIRLS' CHORUS of Grigsby Junior High School, which performed "My Music," "Friends," "Carrie Sue" and "One" in Tuesday evening's spring concert. In the first row, from the left, are Della Becerra, DeDe Gibbs, Rachelle Matheny, Linda Williams, Nikki Ruish, Tammy Widel, Peggy Linhart, Kelli Jacobs, Jill Machino, Michelle Bazzell and Chris Bienenbeck. Second row are Ruth Dial, Carrie Wirtz, Kelly Slayton, Amy Verdu, Cheryl French, Julie Ridlen, Tina Hamlett, Dianny Merz and Peggy Dubois. Third

row are Stephanie Ashley, Melinda Harris, Lisa Andrews, Sheila LaRue, Lori Hubert, Tind Duniphan, Julie Burden, Linda Kuberski, Elaine Brown and Amy Siebert. In the fourth row are Michelle Sylvester, Mary Ann Jackson, Brenda Wente, Patricia McGuire, Kathy Zinn, Kelly Burton, Jackie Ennis, Lisa Svoboda, Amy Hester, Ann Owens and Liz Stoklosa. Absent were Brenda Langley and Sandra Malady. The concert was preceded by an art show in the school halls.

'Ratings' to decide cuts

By JIM SCHLUETER
The Madison County Board's finance committee will suggest a new way of ranking the importance of county departments when the committee discusses the 1983 budget crunch with the county's executive committee.

The finance committee plans to meet with the executive committee, comprised of all county committee chairmen, at the end of this month to get help in trimming a proposed 1983 budget deficit of \$1.5 million. Under the new plan, board members have been asked to classify county departments into three to six categories. The departments in the highest priority category will receive the smallest budget cuts, while the departments in the lowest priority category will get the biggest cuts.

Finance Committee Chairman Bill Little, who was a strong supporter of a different type of priority list last year, expects all board members to turn in their questionnaires. He said the forms will be used to help determine the categories.

But so far, the response has been poor.

Committee Member Don McLean, Edwardsville, said one reason might be that the questionnaires ask for more information and are more difficult to fill out than last year's. However, Little did not agree.

"I feel that's a poor excuse," Little said. "If someone has been on the board for some time, he should know what the functions of the county departments are, and if he doesn't, he can find out."

"Last year the ratings of elected officials, county board members and appointed officials were all pretty close, which means even the people who said they don't know anything must know more than they think."

Another matter that will be discussed between the finance and executive committees is how to deal with negotiated pay increases for county employees. The increases will total at least \$500,000 in 1983. The county and its three employee unions agreed to the increases last December,

but the finance committee wants the county to meet with the unions to discuss hiring freezes, nine-day pay periods and other alternatives to potential employee layoffs.

And at the suggestion of Director of Administration Mary Kane, the two committees will determine how federal revenue sharing funds will be used.

Because the county fears that revenue sharing funds may be cut in the future, the finance committee wants to use those funds for capital improvements, not operating expenses.

Mrs. Kane said a policy for the use of federal revenue sharing funds must be determined before the county can begin cutting its budget. She said the county will receive \$900,000 in federal revenue sharing which could cut the proposed \$1.5 million operations deficit down to approximately \$600,000. But if the county decides to use the money for only

capital improvements, Mrs. Kane said board members will be faced with cutting the full \$1.5 million deficit as well as dealing with the \$500,000 in negotiated pay increases.

ARREST 4 BOYS AS WINDSHIELD VANDALS
Three boys aged 14 and a 13-year-old boy were charged with criminal damage to property after the windshields of two parked vans were broken at a p.m. Monday at the Means service station, 2400 Rock Road.

The youngsters, all residing in Granite City, were released to their parents pending hearings.

Courts terminate 5,373 April cases

The volume of pending cases in Circuit Court, Third Judicial Circuit (Madison and Bond counties), decreased during April by 126 cases and progress was made in catching up currency in most major divisions, except traffic, according to the monthly report released this week.

Overall, 5,347 cases were filed in April and 5,373 were terminated. In releasing the report, Willard V. "Butch" Portell noted the time-consuming felony division showed a gain with 92 cases filed and 103 terminated. "In the last several years, this category has almost doubled, which, in time, will cause quite a hardship on, not only the court system, but also on penal institutions and the state's attorney's office."

Portell noted that it is refreshing to see more cases terminated than filed in the felony division, helping ease that backlog.

Following are the numbers of each major type of case filed, terminated and pending at the end of April.

Cases	Filed	Terminated	Pending
Law cases seeking more than \$15,000			
Jury	69	95	2048
Non-jury	29	71	325
Law cases seeking \$1,000 to \$15,000			
Jury	3	36	455
Non-jury	42	67	1090
Other cases			
Chancery	38	35	474
Miscellaneous Remedy	59	42	516
Emancip. Domain	0	1	41
Mental Health	36	47	4
Divorce	146	461	962
Family	66	48	1986
Juvenile	52	39	287
Felony	92	103	123
Misdemeanor	339	321	1864
Small Claims	367	580	21054
Totals	1,338	1,983	12,853

In the traffic division, 3,438 new cases were filed during April and 2,826 were terminated, the report shows.

Of the felony defendants whose cases were terminated during the month, 61 were convicted of felonies, 29 had their cases dismissed or consolidated with other cases, 13 were reduced to misdemeanors and 10 were acquitted defendants of 13 other charges.

Guilt pleas during the month included one for murder, four for Class X felonies, seven for Class One felonies, 29 for Class Two felonies, 18 for Class Three felonies and three for Class Four felonies.

Felony sentences during the month included 39 persons sent to prisons, 12 receiving probation with periodic imprisonment and 17 receiving probation or conditional discharges with other conditions.

Auditions underway for Concert Choral

Auditions for the Concert Choral at Southern Illinois University at Edwardsville for the 1982-83 season have begun, according to Leonard Van Camp, director of choral activities at the University.

Both music majors and non-music majors are being encouraged to audition for the group.

Among the factors considered in selecting Choral members are musical ability, previous experience and attitude, Van Camp said. "Especially important is the matter of interest, dedication, and the desire to be part of such a group, together with dependability, and a willingness to work hard in rehearsals to achieve excellence in performance," he said.

The audition does not require a prepared solo and will only take a few minutes, Van Camp said. Interested persons should telephone Van Camp at 1-682-3590 to set up an audition time.

The Choral will embark on its fourth European tour in a month," Van Camp said. "But we are already looking forward to an exciting season next fall."

The Choral will participate in the Llangollen International Musical Eisteddfod in Wales in early July.

INSTALLMENT SALE OF REAL ESTATE

To: Charles O. Rutter, 2025 Dewey, Granite City, Illinois 62040, and All Parties claiming by Virtue of Him as Heirs and Assigns.

On July 20, 1978, the undersigned, Margaret Tinsley, executed a certain contract for installment sale of real estate with Charles O. Rutter, which has for some time been, and is now, in default in accordance with the various covenants therein contained.

More specifically, under Sections 12 and 13, the said Charles O. Rutter was to perform all covenants fully and timely, and has made repeated violations of both of these respective covenants as it pertains to payments and performance of the moneys due under Section 7.5, Paragraph 6 and Paragraph 4 of said contract, respectively; that the contract referred to is now in substantial default in all regards and the undersigned hereby elects, according to Sections 15 and 16, to declare a forfeiture and hold all payments made on said contract by the Buyer as liquidated damages. The undersigned, as Seller, also reserves the right to make immediate re-entry and take full possession and occupancy of said premises further described here as follows:

North 20 feet of lot 4, Block 12, McCasland and Youree's 2nd Subdivision of the Wulmeyer Tract shown in Plat Book 9, Madison County, Illinois.

This notice is made and given to confirm the foregoing of all such rights of Charles O. Rutter and his heirs and assigns to said contract and the premises as therein described.

DATED: This 20th day of May, A.D. 1982.

News notes

A compromise was reached last week in Springfield, ending a stalemate that was delaying payments to general assistance recipients. The legislature will budget for 171 newly-hired revenue agents but not for another 80 agents proposed for hiring in June. Bitterness over the issue is believed to have been responsible for the scheduling of lawmaking while many legislators were playing in a golf tournament May 10.

+++
If the wishes of a Congressional committee prevail, Illinois, Missouri and Arkansas will lose the right to limit the size and weight of trucks, or will lose millions of dollars in federal highway money. The surface transportation financing bill also calls for use of federal funds to improve the Martin Luther King-Veterans Bridge if it is sold to Illinois or Missouri and is made toll-free.

+++
Herpes simplex virus, the cause of widespread venereal disease, can remain infectious for hours on toilet seats, towels and other common objects, a researcher told the American Pediatric Society last week, raising the possibility that it can be transmitted by non-sexual means.

+++
Police dogs found no drugs in a search of lockers last week at Waterloo High School in Monroe County.

ARREST IN BURGLARY OF RESIDENCE IN GC

Robert Luftman, 17, of 2713 Iowa St. was arrested in the 2600 block of Delmar Avenue last week for allegedly burglarizing the home of Kenneth Bopp, 2705 Iowa St., the previous day. Bond was set at \$20,000 during a court hearing here.

An estimated \$132 was missing from the residence, where a window screen was cut to gain entry. The suspect had \$77 in his possession when an officer stopped him for questioning. A companion, 15 years old, was charged with possessing 11 cannabis cigarettes and was released pending a hearing.

Elementary band concert Friday

Miss Elsie Maylath will conduct the Nameoki Elementary Band in its annual spring concert at 7:30 p.m. tomorrow night, May 21, in the Nameoki School gymnasium.

The program will feature a variety of selections, the recognition of band students who have participated in special events, and the presentation of band pin awards to those who have completed all band requirements.

Admission is free and the public is invited to attend, Miss Maylath said.

Band selections will include "Pikes Peak March" by Feldstein and O'Reilly; "Jefferson County Overture" by John O'Reilly; "Theme from Chips" arranged by Eric Oesling; "Dinah's Rock" by Paul Cook.

Welsh air "March of the Men of Harlech" arranged by John Kinyon; "Two Tunes for Tooters" featuring the flute section arranged by John Kinyon; Neil Diamond's "Song Sung Blue" arranged by John Kinyon; "Showcase for Showoffs" by Dale Lauder featuring four brass and woodwind duets for sections. Mac Davis' "I Believe in Music" arranged by Paul Cook; "Song from Mash" arranged by Paul Cook; "When the Spirit Moves" by Eugene Magill; "The Marine's Hymn" arranged by John Kinyon.

Members of the band are flutes: Dawn Lengyel, Gina Roddy, Amy Gregus, Missy Singer, Maria Willaredt, Janel Gierke, Melinda Henke, Lisa Mitchell, Catherine Aleman; Michelle Parnell, Laura Mellon, Andrea Jones, Lori Deak, Kimberly Reeves, Amy Smith, Jennie Rea, Lisbeth Lyons, Latricia Fisher; clarinets: Richard Witt, Karen Wilson, Lisa Butler, Jennifer Herbst, Rhonda Smith, Jeanne Harris, Krystal Hoffman, Heidi Koenig, Lori Slotta, Jane Park, Stacey Mertz, Ann Wright, Cheryl Boatman, Lesia Moore, Deana Hawkins, Rhonda Tipler; Catherine Dimitroff, Krista Morgan, March Silbe; alto saxophones: Melanie Ethridge, Richard Taylor, Kristi Davidson; tenor saxophone: Jeff Haney; cornet-trumpet: Liz Oyen, Jim Burkhardt, Adam Atkinson, Mike Liller, Brad Choat, Harold Love; french horn: Marcee Williams; trombone: Mary Jo Johnson; baritone: Paul Wilson; bass: Jon Pryor; percussion: Tracy Gray, David Conway, Tod Parchman, Kim Wilson, Missy Jones, Greg Koberna.

Professor Ann Carey will be honored Friday

Ann Carey, professor of speech pathology and audiology at Southern Illinois University at Edwardsville, will receive the "Honors of the association" at the spring banquet of the Speech and Hearing Association of Greater St. Louis tomorrow.

A former Granite City teacher, she will be recognized for her 30 years of service to the speech and hearing profession.

During those years, she served as a charter member and president of the Speech and Hearing Association of Greater St. Louis and president of the Illinois Speech and Hearing Association, the Southwestern Illinois Speech and Hearing Association, and the Association of State Association Presidents.

Professor Carey has received the honors of the Illinois Speech and Hearing Association and is an American Speech and Hearing Association fellow.

Keynote speaker for the banquet, scheduled at Ruggert's in St. Louis, will be State Senator Harriett Woods.

HAIR-RAISING ADVENTURES are anticipated for the brave who watch a trio of 3-D horror movies to be shown on St. Louis television during The Great 3 Day 3-D Weekend, which begins Saturday. Movies which will be shown in 3-D for color television sets only include "Gorilla at Large" at 10:30 p.m. Saturday on Channel 11, "The Mad Magician," and starring Vincent Price and Eva Gabor at noon Sunday on Channel 30, and "The Revenge of the Creature" Monday at 7 p.m. on Channel 11. Special 3-D glasses must be worn to obtain the three-dimensional effect. The glasses are being sold at two pairs for \$1 at participating Fotomat Stores and Pizza Hut Restaurants and proceeds will benefit the Easter Seal Society.

If last winter's utility bills got ahead of you...

Here's a hint from Illinois Power about how to take control:

LEVEL BILLING

This past winter was about as bad as they get. And bitter cold winters usually mean higher utility bills for homes and businesses. Sometimes these bills get a little hard to manage.

At Illinois Power we have a way to help. We call it budget billing. Under this optional plan your utility costs will be equalized month by month for the whole year. You won't have to face peak utility bills during extreme weather!

We'll also work with customers to set up special deferred payment plans, or provide help in locating agencies which may be able to offer financial assistance.

Interested in setting up a budget billing program? Just talk to your Customer Service Representative at Illinois Power.

High honors for local students

More than 800 students at Southern Illinois University at Edwardsville were recognized for academic achievement early this week at a special Honors Day convocation in the University Center. In addition, approximately 150 students received special awards.

This year, for the third time in the history of the campus, four SIUE Foundation awards were given for academic excellence. Each year at Honors Day convocation, the Foundation gives awards to the male and female students with the highest four-year grade-point average this year.

The three young women receiving academic excellence awards were: Jo Ann Brinkman of Meppen, Ill., majoring in health education; Vickie S. Waldrop of Belleville, majoring in psychology; and Peggy Jean White of Abingdon, Ill., majoring in nursing.

Black, yellow truck licenses

Sec. of State Jim Edgar has announced that 1983 Illinois truck and trailer license plates, which go on sale today, will bear the official colors of the Chicago Sting—black on yellow—in honor of Sting owner Lee B. Stern and his 1981 North American Soccer League championship team.

Only vehicle owners renewing their fiscal year plates may purchase the plates early. Beginning Tuesday, June 1, more than 1,200 financial institutions in Illinois will also sell the truck and trailer plates over the counter.

The plates must be purchased for all second division vehicles, including trucks, tractors, trailers, semi-trailers, farm trucks and trailers and mileage-tax vehicles; May 17 is the first day the plates may be legally displayed, and midnight, June 30, is the deadline for displaying the current fiscal year plates.

The young man receiving the academic excellence award was Todd A. Rodenberg of Galesville, Fla., majoring in business administration with specializations in industrial relations and economics.

For honors day recognition, students must maintain a grade-point average of 4.50 or better. In addition, they must have completed and passed at least 24 calculated hours of studies at the University.

Granite City students who received special awards were: David J. DeGonia, the male and Phillip Benjamin Award in Chemistry; Phil J. Richmond of Madison earned the Ollie Mae Williams Merit Award and Gwendolyn C. Kille of Madison won the Artex International Inc. Award in Sociology.

Other Granite City students honored during the ceremonies for high grade point averages were: Freshman—Beatriz X. Baeza, Kellie L. Blochberg, Patrick K. Collins, Cynthia M. Goeller, Nelda J. Lencaster, Sandra Lynn Lathrop, Leah L. Lombardi,

Athanas J. Longos, Jacqueline M. Reed, Christine R. Schrempf, George Harry Sykes, Robert E. Verbeck Jr. and John J. Votoukal.

Sophomores—Caren E. Berry, David J. DeGonia, Julia L. Ellis, Robert E. Gann, Joseph F. Grabowski, William L. Harris, Lorraine L. Jameson, Christine Ann Lerue, David R. Lathrop, Kenneth Joel Lathrop, Melanie Adaire Meahan, Sonya K. Obanessian, Cynthia Kaye Rudder and Suzanne L. Szadai.

Juniors—Scott A. Ahlers, Vera J. Bloomquist, James W. Dimitroff, Karen L. Hatcher, Beatrice A. James, Robyn S. Johnson, Toni E. Leidenrodt, Jody

James Maxfield, Mydung N. Schellhardt and Sidney Lee Williams.

Seniors—Lori G. Buienger, Terrance Derr, Joan L. Fabisher, Phillip W. James, Francine J. Litzelman (high honors), Gloria Jo Mason, Suzanne C. McGehee, Greg E. Moulden, John M. Ostresh, Lorna Ellen Tingley and Dawn E. Walker.

Madison students earning honors grades were Joyce A. Johnson, a sophomore, and Gwendolyn C. Kille, a senior. Myrna Regina McKee of Mitchell also was honored for grades during the recognition ceremony.

Bell appoints PR director

Helen Burner, East St. Louis Illinois Bell manager, has been appointed interim community relations director, replacing Kenneth L. Evers, who retired as manager of the Granite City office of Illinois Bell.

Mrs. Burner has been the manager of the East St. Louis Bell Service Center since 1976 and will continue in that position. With the consolidation of Bell services in Granite City, she also is director of phone billings for residents here.

The local Bell office, now a phone center only, refers all billing problems to its East St. Louis Center located at 721 Missouri Ave.

Golden Agers dinner

A covered dish ham dinner was served last week to 49 members at the Golden Agers Senior Club's May picnic event.

The group met in the Kirkpatrick Homes Recreation Center at 12 noon. Among the guests were Randall Irwin, David Morgan and Flora Schabily.

Assisting in the meal preparation and kitchen duties were Ruby Corbitt, Caroline Lux, Edith Young, Jennie Moody, Tom Crawley, Loreta Wysocoll, Peggy Gibbons and Lumeta Durbin.

It was announced the Senior Citizens Council will sponsor a dance June 7 from 7 p.m. until 10 p.m. in the Granite City Township Center.

The afternoon hours will spent at games. Among the winners were Nola Hines, Tom Crawley, Leona Parente, Mrs. Durbin, Mrs. Gibbons and Mrs. Lux.

CAUGHT AFTER CHASE

Wendell Upton, 25, Brooklyn, and Clark D. Silas, 29, East St. Louis, were charged with theft of 32 pairs of sunglasses worth a total of \$271 this week after their auto was pursued from the Schnucks store, 3801 Nameoki Road, to the 2800 block of Madison Avenue. Police also booked Silas for an alleged Sangamon County probation violation.

Olmstead-Fosterling

Pamela Fosterling, daughter of Mr. and Mrs. Theodore Polson, 3601 Franklin Ave., became the bride of Stanley Dean Olmstead, son of Mr. and Mrs. Walter Olmstead, Rural Route Two, Milan, Mo., April 24, at St. Margaret Mary Catholic Church.

The Rev. Terry Shea officiated at the 2 o'clock afternoon ceremony. Father Doehler presided at the organ and accompanied Mary Wallace as she sang, "The Wedding Song," "Sabbath Song" and "The Lord's Prayer."

For her wedding, the bride wore a formal ivory A-line gown fashioned with a Queen Anne neckline, a long Chantilly lace bishop sleeves.

The pleated skirt was edged with a gathered lace boussole and extended into a chapel train. She wore a Schiffl lace-hat with an illusion veil attached to the back, and she held a tear-drop style bouquet of summer flowers.

Mrs. Teresa Polson, a sister of the bride, served as maid of honor. She was attired in an apricot dress trimmed with a sleeveless fitted bodice and pleated skirt.

Kelly Olmstead, a niece of the groom, was the flower girl. She also was dressed in an apricot frock.

The groom chose his brother, Randall Olmstead, as best man. Christopher Fosterling, a son of the bride, was the ring bearer, and Jay and Roger Olmstead, brothers of the groom, acted as the groomsmen.

A reception was given in the Knights of Columbus Hall, after the services.

A graduate of Granite City High School, the bride also attended the Lutheran Medical Center School of Nursing and is presently completing nurse training at Belleville Area College.

The groom is employed as a fireman at Wynne Communications. He graduated from Milan High School and attended Central Missouri State College in Warrensburg, Mo.

The newlywed couple is temporarily residing in Granite City and will later move to Oklahoma City, Okla.

Out of town guests included Mrs. Venice Olmstead, Milan, Mo.; Mrs. Ramona Wyant, Pollock, Mo.; Mr. and Mrs. D.S. Water and Mr. and Mrs. Raymond Collins, both of Lenexa, Kan.

Garden Clubs win awards

District V Garden Clubs were represented at the 55th Annual Convention of The Garden Clubs of Illinois, Inc., at Arlington Heights. Those who attended were District Director Virginia Knutson, Betty Seppel and Ethel Boyd of St. Clair County Garden Club; Marilyn Nelson of Trenton Turnbuckles; Betty Wieland of Fairview Heights Garden Club; Mary Ellen Lindsey, Penny Price, Rose Rivet and Evelyn McEntire of Cahokia Garden Club.

Mrs. Fran Koonan, state president, presided over the meeting with 387 members attending during the two days.

An election of new officers is set for June 9 at 8 p.m., Mrs. Edwards added.

The programs were educational, including a very informative workshop by the Illinois Judges Council on flower shows; slides entitled "From a Plant's Point of View" was presented by botanist, Mrs. Margaret Kabley; slides on "The City Beautiful Movement in America" presented by Mrs. Joan Draper, professor from University of Illinois and an outstanding Floral Design Program with Kenn Stephens, international exhibitor designing the floral designs.

The highlight of the convention was the awards banquet, where District V clubs received their awards, that included a state award and the national award for their flower show "Posies and Patches," plus a second place cash award for the show schedule. In the national award category the following honors were given: Fairview Horticulture Achievement; St. Clair County for Preservation of Beauty and Cahokia a green ribbon to indicate their yearbook had been sent to national judging. In the state awards the following were given: Elsie Mae Stiles of St. Clair County, the Mabel Fitzsimmons Home Garden Design, cash award; Dorothy McMullen of Fairview Heights, the Dorothy Watts award for Home Entrance Design; Trenton Turnbuckles and Cahokia both received red ribbons for best yearbook in district; Trenton Turnbuckles also received the Publicity Press Book Award; Gardenaires of Granite City and St. Clair County of Belleville both received certificates of appreciation for their contribution to Care and Soil Muenich, son of Mary Muenich, president of Lakeview Garden Club, received first place in the Smokey Bear Poster Contest, which was sent on to Central Region for judging.

The blue ribbon award for achievement of 100 points went to the following club: Cloverville (Granite City); Creative Gardeners (Jerseyville); Gardenaires (Granite City); Green Oaks (Macoupin County); Lakeview (Collinsville); and Trenton Turnbuckles.

The purple rosette for achievement of 150 points or more went to: Cahokia, Edwardsville, Fairview Heights, Macoupin, Shiloh Valley and St. Clair County (Belleville).

Miss Tester earns honors

Beverly J. Tester, a student at Granite City North High School, has been designated a Presidential Scholar, beginning fall quarter, at Southern Illinois University at Edwardsville. The announcement was made today by Earl Laserson, president of the University. Miss Tester will be one of a class of 20 new Presidential scholars who will receive the prestigious four-year scholarships. The award winners will receive monetary assistance, special academic status and individualized educational opportunities. They were selected on the basis of their previous academic work and special talents and abilities.

The scholars will be welcomed to campus at a get-acquainted luncheon with the president and the students' mentors on May 26 at the University Center. The luncheon was launched in 1978, the Presidential Scholars Program has made it possible for 20 students to be selected each year to receive the special four-year monetary and academic awards. The program is underwritten by contributions to the SIUE Foundation.

Miss Tester resides at 4028 Vesel Ave., and is the daughter of Joel and Betty Tester, and granddaughter of Orval and Frieda Crawford, also of Granite City.

Dinner guests were Mr. and Mrs. William Willard, grandparents, Mrs. Edith Penrod, great-grandmother, Mrs. Bill Willard and Marc and Marla, Alma Cravens and Mr. and Mrs. Wilford Kleinschmidt. A McDonald's party for youthful friends of the honoree also was hosted by Mrs. Price, assisted by Mrs. Peggy Willard and Mrs. Thelma Randall, at the local restaurant.

Both Bolandis, Jill Broshaw, Carl Ann Crawford, Dawn Fagola, Tonya Pocht, Kristi Holsinger, Stacie Kennerly, Michelle Randall, Jennifer Valbert, Tricia Brinkoff, Heather Ochso and Maria Willard.

Health insurance is meeting topic

The National Association of Retired Federal Employees, Granite City Chapter 1067, met at noon, at Charlie's Restaurant, for their regular luncheon meeting, last week.

The meeting was opened with prayer by Mrs. Tharsh Erney, chaplain. Seventy were in attendance and recited the pledge to the flag in union preceding the business segment.

New members present and enrolled were Gerry Walters and Walter Hargus and Lydia Duggan was reinstated.

Georgina McMillan, service officer, reported on the Health Insurance plan. Harry McClintock gave the legislative report speaking about the consumer price index and Federal Health benefits program, and Mayme Yellow submitted a review of the Sunshine Committee.

President Larry Henghold extended birthday wishes to six members and two anniversaries honorees. Alvin Bohley, vice-president of the state chapter, was guest of honor and reported on the Illinois State Convention held in Joliet.

A special afternoon prize was awarded to John Amend.

The next regular meeting will be held at 11:30 a.m. at Charlie's Restaurant on June 14, the president said.

The next meeting is set for June 8 and the Communion Sunday event will be Sunday, May 23, at the 9:30 mass.

Mother of three graduates

Diana (Ward) Cason received her registered nurse's pin and a two-year associate degree in nursing during weekend commencement exercises at Lewis and Clark Community College in Godfrey.

Mrs. Cason, the mother of three children, previously attended Southern Illinois University at Edwardsville for four years on a part-time basis, after first obtaining a General Education Development high school equivalency certificate. She and her husband, Dave, are former residents of Granite City. They now reside in Glen Carbon with their youngsters, Tricia, 16, David Keith, 12, and Christopher, 2½ years old.

DIANA CASON

Mrs. Cason is now planning to continue her education at SIUE, where she will complete requirements for a bachelor of science degree.

Hilltoppers hear Ellen Ehler

Mrs. Ellen Ehler presented the program at the May meeting of the Hilltoppers senior Citizens Club of St. John United Church of Christ, held in the church Fellowship Hall, last week.

She gave a review of the story of The Praying Hands by Albert Dunder, and displayed a cross stitch sampler of the praying hands made by her daughter.

Betty Cooper, pro tem president, conducted the meeting as plans were finalized for a June 9 potluck luncheon which will be served at noon.

After the opening prayer, the group recited the pledge of allegiance and sang favorite hymns with Mrs. Ehler presiding at the piano. Offer reports were given and after business discussion the session adjourned.

A dessert course was serving and the remainder of the afternoon was spent in playing games.

Sheba laden with gold. The Bible says the queen of Sheba on her famous visit to King Solomon gave him 120 talents — equal to 5,668 kilos of gold or 125,700 troy ounces — not to mention spices in great abundance and precious stones.

DAR to present student awards

The Drusilla Andrews Chapter of the DAR held its May meeting in the Chimney Room of the Burns Cafeteria with ten members present.

The regent, Mrs. Barbara Williams, called the meeting to order and Mrs. Janet Wilson, acting chaplain, led the opening ceremonies followed by the pledge of allegiance and the American Creed.

Mrs. Georgie Engleke read the President General's message and Mrs. Florence Simpson gave an informative report about the DAR to our nation and capitol, and about the many famous members, both past and present.

Mrs. Sandra Wilkinson, secretary, read the minutes of the previous meeting and correspondence — including a thank you note from the Kate Duncan School for a subscription to National Geographic World, and an invitation to the June 18 Division VI meeting at Alton, Ill. It was requested that members make and take homemade articles for veterans hospitals in southern Illinois.

Miss Ella Ray Smith followed with the treasurer's report. Mrs. Williams reported that safety and

energy tips are needed for next year as well as new program ideas. Mrs. Janet Wilson, chairman of the Good Citizen's Award, announced that a member was needed to present the good Citizens awards at both North and South High Schools.

A report of the state convention in Chicago was given by Barbara Williams followed by reports of the national convention, or Continental Congress given by Mrs. Emma Schoen and Florence Simpson.

Members present included Ella Ray Smith, Margaret Bell, Florence Simpson, Emma Schoen, Barbara Williams, Sandra Wilkinson, Georgia Engleke, Janet Wilson, Nelle Hart, and Marjorie Hicker.

Gardenaires plan field trip

Mrs. Roy Hormann entertained the Gardenaires Garden Club at her home in Edwardsville, last week. The members answered roll call by listing the various birds they observe in their gardens.

During the business meeting, which was conducted by the President Mrs. Leo Schank, an invitation was read inviting the club to attend a brunch of June 9 in observance of the 35th anniversary of the Garden Study Club. An announcement of the annual Rose Luncheon hosted by the Edwardsville Garden Club was read.

Mrs. C. E. Eads reported on the district organizational meeting, and the district luncheon, which were held last month. The president announced 18 students, and two teachers from Granite City South, had toured the Missouri Botanical Gardens last month. This is a conservation project sponsored by the local club.

A letter from the state

scholarship chairman was read by the secretary. The letter thanked the club for its donation to the scholarship fund in honor of Harold E. Brown. The members voted to continue their membership to the Lincoln Memorial Gardens, which is supported in part by the Garden Clubs of Illinois.

To conclude the days activities a workshop was held under the direction of Mrs. Robert Hintz. She showed the members how to fashion tree ornaments which will be used to decorate the Christmas tree at the Granite City Public Library during the holiday season.

Attending were: Mrs. Al Tarpey, Mrs. William Long, Mrs. Mary Kristian, Mrs. Charles Kohl, Mrs. Richard Kerch, in addition to those mentioned above, and two guests Mrs. A. A. Malotti, and Miss Ruth Ann Blair of Cape Girardeau, Mo. Program Chairman Mrs. Kerch, announced the June meeting will be a field trip to the Garden Clubs National Home, which is located adjacent to the gardens.

Presbyterian mother-daughter banquet

The annual mother-daughter banquet of the First United Presbyterian Church was held in the church Fellowship Hall, last week, given by the United Presbyterian Women.

Containers of blooming perennials centered the tables and were later given as prizes. Awards were also presented to those seated at a location of a small smile label which was attached to the under edge of the tablecloth.

The Rev. David Maxton offered the invocation followed by a catered meal from Petri's Cafe. Members of the Involvement and Action Committee of UPW were in charge of the arrangements. They included Lillian Howe, chairman, Florence Woodward, Betty Schmiedke and Virginia Johnson.

Mrs. Howe introduced program participants for the entertainment hour and the stage was setting for performances by "Presby-Stars."

Mrs. Nancy Barnes and her daughter, Leah Barnes, presented a vocal and guitar duet with the musical selection, "Country Roads."

followed by the welcoming address by the UPW President Roberta Browning. She also read an original poem on "A Tribute to Mothers."

Sandi Sternberg sang, "You Light Up My Life" accompanied by Isobel Schmidt, organist. A vocal quartet of grandchildren, Kathy Schmiedke, Alicia Skirball, Julie Riddle and Stacey Howe, sang "Happy Mother's Day" to the tune of "Happy Birthday." Each youngster received a certificate for a Baskin-Robbins treat at the conclusion of the program.

A game segment was planned around the topic "what's in your purse" which each one was requested to empty the contents of a purse and match a list of 35 items read by Mrs. Schmiedke. Winners were Yee Thorne and Carol Tharp. Mrs. Parantzen Haroin was given a potted chrysanthemum plant as being the eldest mother present.

Sisterhood hosts mothers dinner

A western decorating motif was carried out in the table centerpieces and to coordinate a western musical program for the annual mother-daughter banquet hosted by the Sisterhood group of Dewey Avenue United Methodist Church, last week.

Those attending the 6 o'clock dinner meeting were dressed in western style clothing. Mrs. Connie Kelley introduced the president, Mrs. Evelyn Thompson and other officers, Opal Davis, Millie Sherman and Cathy Williams.

Mrs. Thompson welcomed 70 members and guests and Mrs. Kelley offered the invocation. After the dinner hour entertainment was provided by Mrs. Viola Brooks, Mrs. Nancy Barnes and her daughter Leah Barnes, Helen and Evelyn Thompson, Tracey Ray and the Sisterhood Kitchen Band.

Two guests, Debbie Raby and Barbara Carikos, became members of the band.

Mrs. Williams presented gifts to Leola Coblen, Violet Miller, Millie Sherman, Martha Silvey, Fern San Soucie, Irma Bernaix, Evelyn Thompson, Emma Elmore, Alma Roney and to

out of town guests, Martha Silvey of Galatia, Ill., Helen Thompson and daughters, Tracy and Teresa of Sullivan, Mo.

Venice Honor Society dinner

Irene Orr, faculty sponsor for the newly-created National Honor Society at Venice High School, attended Monday night's meeting of the Venice Board of Education and invited members to the group's first annual banquet.

Mrs. Orr said the event will take place at 7 p.m. Wednesday, May 26, in the school cafeteria, with Volok Catering Service providing dinner.

Eleven Venice High School senior and junior students will be inducted into the society in a candlelight installation ceremony.

Six sophomores also will be inducted as probationary members, Mrs. Orr said.

Party honors Ruby Cook

Appreciation for more than 50 years of musical service to this community was expressed, last week, at a surprise birthday party honoring Ruby Sparks Cook of Granite City. Attended by more than 70 friends and relatives, the affair was held in the Fellowship Hall of the First Assembly of God Church, 24th Street and Grand Avenue.

Hosting the event were members of the King's Daughters Trio, Miss Harriet O'Guin, Mrs. Bob (Dolores) Boston, Mrs. Don (Betty) Gay, and Mrs. Herschel (Inis) Gann, as well as Mr. and Mrs. William (Betty) Paterson.

Decorations of pink and gold adorned the hall, and the centerpiece of the head table featured a multi-tiered cake, topped by an open book and piano. Early photos of Mrs. Cook and members of her family provided a nostalgic touch, and the guest of honor was presented with a corsage of pink roses.

Well known in this area as a gifted pianist, Mrs. Cook, a native Granite Cityan, developed her talents at an early age, providing music for local church congregations, civic and fraternal organizations. Although she has never received any formal musical training or lessons, she has served as accompanist for soloists, duets, trios and quartets, and has performed at countless weddings and other private social gatherings.

Miss O'Guin welcomed the guests, and introduced the entertainment, which was provided by some of the groups and soloists with whom Mrs. Cook is presently associated. These included Mrs. Boston; the King's Daughters Trio; Miss Brenda Lee O'Guin; Mrs. Don (Mary Ruthann) Tadlock; Francis Richeson; Mrs. Francis (Marion) Richeson; Chris Richeson; and the Soul Searchers Trio, Burt Chapman, Earl Guffy, and Mrs. Boston. Each rendition was a song originally composed by Mrs. Cook. A special "Tribute to a Lady" was sung by Mel DeJernette, accompanied by Jack Jenkins.

During her association with Second Baptist Church in Granite City, she participated in the establishment of four new missions. For several years, she played with the Eagle's Kitchen Band, and provided music for the lodge in installation ceremonies.

Family members present included Mrs. Cook's daughter and son-in-law, Mr. and Mrs. James (Betty) Lengyel, her grandson and daughter-in-law, Mr. and Mrs. Jimmy (Karen) Lengyel, and her granddaughter Dawn Lengyel, her daughter and son-in-law, Mr.

RUBY COOK

and Mrs. Francis (Marion) Richeson, and her grandson Chris Richeson; her son and daughter-in-law, Mr. and Mrs. Donald (Jackie) Sparks, her granddaughter and son-in-law, Mr. and Mrs. Alan (Beverly) Crider, and her son and daughter-in-law, Mr. and Mrs. David (Judy) Sparks, a brother, Robert Lambert, and niece and nephews, Mrs. Charles (Wilma) Parmley, Mr. and Mrs. Skip (Brenda) Parmley, Mrs. Char Lee Baldwin, Debbie, Billy and Kimberly Baldwin, and Mrs. Beverly Partney. A special greeting was read from a former Granite Cityan, Mrs. Bernice May, who now resides in Tulsa.

Gifts to commemorate the evening were presented to Mrs. Cook by Miss O'Guin, Mrs. Gann, and Mrs. Paterson. Blessing was offered by Mrs. Gay. The evening closed with the guests joining in group singing of several of Mrs. Cook's original compositions, culminating in her performance of some old favorites, "Kitten on the Keys," "Stardust," "Maple Leaf Rag," and "Has Anybody Seen My Gal."

Future Secretaries honored at banquet

HONOREES. Tracy Free, of North High School, above photo from left, Mary Gain, president of the Tri-Cities Chapter, Professional Secretaries International, and Brenda Knight of South High School at the annual awards banquet of the Future Secretaries Association at Charlie's Restaurant. Both girls received the Senior FSA Award, from Mrs. Gain. Center Shari Ogden of South High School, recipient of the Junior FSA Award, and right, Pam Butler, who also received the Junior FSA Award, chapter advisors from North and South High Schools, respectively, made the formal presentation in the presence of 60 members and guests. Charlie Vunovic, of the PSI, was mistress of ceremonies. (Press-Record Photo by Donna Kunkin)

Gerald Teller of Granite City has been certified as president of United Steel Workers of America Local 16, it was announced this week by the union. Local 16 represents a portion of Granite City Steel's employees.

Teller garnered 241 votes in April 20 union voting to defeat Charlie Mayfield, who earned 93 votes, and Jim Bradford, with 64 votes. Both challengers were from Granite City.

Harvey Scarasdale of Granite City was elected vice-president, defeating Harold Heiney and Keith Blind, both of Granite City.

Elected as recording secretary was Powell Caseyville, who was undefeated.

Ron Achenbach of Collinsville defeated Herb Reisinger of Granite City for the post of treasurer by a vote count of 281 to 101 and Russell Smith of Collinsville secured the financial secretary's spot with 200 votes, narrowly defeating Al "Barney" Barnes of Granite City, who had 182 votes.

Ray Lux and Jerry Flala of Granite City were elected guides. They were unopposed.

Trustees of the local elected were John Large and Bill Brimm of Granite City and Jerry Yeager of Livingston. Unsuccessful trustee candidates were George F. Stevenson of Granite City and Jess Murphy of Collinsville.

Brandon Mathis of Mount Olive won a post on the joint committee, defeating John Painter and Harold Heiney, both of Granite City, and Harvey Scarasdale defeated fellow Granite Cityan Don Bradford for a post on the alternate joint committee.

POST 1300 RETAINS HIGH MEMBERSHIP
VFW District 12 Commander Henry Hoffman of Madison, who also serves as chaplain of Private Henry Ostendorf Post 1300, Veterans of Foreign Wars announced the local post has sustained a 100 percent membership total for the past two years. The district officer's first name was reported erroneously in Monday's issue.

Hoffman quoted the membership figures during Post 1300's 50th anniversary celebration held during the weekend at the Post House, 2044 Washington Ave.

The festive event was attended by 300 members and guests, including U.S. Representative Melvin Price and Major General Richard T. Boverie, acting principal deputy assistant secretary of defense, International Security Policy, Washington D.C.

More air controllers for Chicago

The Federal Aviation Administration (FAA) will shift the manpower necessary for additional flights into Chicago, in addition to its previously announced timetable.

"This is a welcome first step and I am grateful to the Secretary of Transportation," said Lewis, who ordered "extraordinary measures" in response to my inquiry in March, U.S. Senator Charles H. Percy said.

In a letter to Percy, Lewis said 50 air traffic controllers will be transferred from such Sun Belt cities as Houston, Los Angeles and Oakland to the Chicago En Route Center in Aurora beginning June 15.

The transferred controllers, who will be fully trained by Aug. 1, will enable the addition of 20 to 30 arrivals and an equal number of departures each day from Chicago's O'Hare and Midway airports.

Currently, there are 130 controllers at the Center, about 200 less than when the professional air traffic controllers went on strike last year.

The Chicago Center, which controls air traffic from Fort Wayne, Ind., on the east to Des Moines on the west, and from Green Bay, Wis., on the north to Champaign, Ill., on the south, has experienced a 20 percent reduction in operations since the strike. Due to the shortage of controllers, the FAA had refused to permit new flights into airports served by the Center.

In March, Percy cited financial losses incurred by carriers whose expensive aircraft had been grounded by the freeze, and urged Lewis to increase controller manpower.

The freeze on new flights adversely affects a number of carriers whose major operations are based at

either O'Hare or Midway, including United Airlines, Midway Airlines, Mississippi Valley Airlines, Air Illinois, Britt Airways, Air Lincoln and Air Chicago.

The extraordinary measures taken by the FAA to attract controllers to the Chicago Center include:

- Allowing controllers to virtually name their next duty station, following two years' service at the Chicago Center at Aurora.
- The FAA guarantees that each controller will get one of his three choices.
- Payment of a per diem for housing and meals if the controller agrees to stay at Aurora for at least one year.

In addition to the 39 transferred controllers, 108 student controllers are currently training for placement at the Chicago Center. Sixty-five are undergoing on-the-job training at Aurora and the balance are at the FAA Academy at Oklahoma City. It normally takes about 18 months for these students to be trained, according to the FAA.

Flexible bond interest for schools now is law

Governor James R. Thompson has signed legislation that will make it easier for local governments and school districts to sell bonds by revising bond interest ceilings to better reflect current market conditions.

"This measure has widespread backing within the financial community and among bond experts because it will allow local govern-

ments and school districts to sell bonds that, because of market conditions, they have not been able to issue," Thompson said.

"Money from these sales are an important part of local government and school district financing. This law will allow local governments and school districts to continue projects that will provide jobs for the people in the community," the governor added.

Under Senate Bill 59, the current interest rate ceiling

on bonds, tax anticipation warrants and other types of debt issued by local governments and school districts will be changed.

Instead of the current ceiling of nine percent or 70 percent of the prime rate, the new ceiling would be nine percent or 125 percent of the 30 General Obligation Bond Buyer Index. This index is frequently used to determine the current average yield of municipal general obligation bonds.

"As it now stands, the 70

percent of prime rate formula dictates an interest rate ceiling of 11.5 percent. With the ceiling this low, many areas of government are finding that they cannot issue long-term bonds because no one will buy them," the governor said.

The 125 percent formula would allow the interest ceiling to go to 15 percent at the current index level and make bonds more attractive for sale because the new law more accurately reflects the true condition of the bond market, he said.

The bill was sponsored by Sen. Steven Nash and Rep. Thaddeus Lechowicz, both from Chicago.

Niedringhaus Methodist to retire indebtedness

Niedringhaus Methodist Church at 20th and Delmar will celebrate the retirement of its building program indebtedness this Sunday, May 23rd. This date marks the 10th anniversary of the fundraising drive for construction of a new church on the site of the original Park Avenue Methodist Episcopal Church in 1902, changed in 1908 to the Niedringhaus Memorial Methodist Church, Rev. Louis Frick announces.

Celebration '82 is the last of a three-phase church program which the congregation began last fall. The preparation and dedication phases of 1981 now give way to the celebration.

Services in the old sanctuary ended in September 1972 and recommenced in the new sanctuary in October 1973. This Sunday at 1 p.m. the church will be dedicated in a special service which will culminate in the burning of the mortgage assumed 10 years ago. Within Methodism, a church cannot be dedicated until it is debt-free.

For the past few weeks, members of the congregation have been sharing "Reflections from the Past" at the morning worship services. Drawing upon personal knowledge and recorded church history, members and friends of Niedringhaus have learned about the "good old days" as related to buildings and facilities, the various women's organizations, music and choral, sports, special events, fund raisers, personalities, and the composition of the Sunday School classes.

Photographs of the church and various events of the past 80 years have been assembled and will be on display Sunday, Rev. Frick said.

Activities planned for the day of celebration include a morning worship service with Bishop Leroy Hodapp preaching at the 10:15 a.m. service, and conducting a Youth Confirmation Service.

Those who have been members of the church for 50 years or more will be honored and a picture of

those present taken. (There are 47 members in this 50-year plus category.)

Also a commemorative bookmark will be given to each person attending the worship service, a potluck meal will begin after the worship services and slide presentations will be shown during the noon break.

A special Service of Dedication will begin at 1 p.m. Former pastors of Niedringhaus have been invited to attend, and those present will share greetings with the congregation. Rev. Roy Baugh, pastor from 1970-1977, will share highlights of the building progress during his pastorate.

The service will climax with the burning of the mortgage by Bishop Hodapp, and an inscribed keepsake will be given each one attending the dedication service. Tours of the building and facilities will be conducted for visitors.

Rev. Frick is extending a public invitation to former members and friends of Niedringhaus to attend the dedication service.

BISHOP HODAPP

Bishop Leroy Charles Hodapp, resident Bishop of the Illinois Area, United Methodist Church, Springfield, Ill., will be at the Niedringhaus Methodist Church on Sunday, May 23, to join in the celebration of the church's debt retirement.

Bishop Hodapp, who serves as a "pastor to pastors" of the United Methodist Illinois Area, was born in Seymour, Ind., in 1923. He attended the University of Detroit and was graduated from the University of Evansville with an A.B. Degree in 1944; Drew Theological Seminary, Madison, N.J., with a B.D. Degree in 1947. The University of Evansville conferred the Doctor of Divinity Degree on Bishop Hodapp in 1961.

He was elected to the episcopacy at the United Methodist North Central Jurisdictional Conference in Sioux Falls, S.D., in 1976, and assigned by the Conference Committee on the Episcopacy to the Illinois area, effective Sept. 1, 1976. Bishop Hodapp currently serves as chairman of the United Methodist Board of Church and Society, and an elected member of the National Council of Churches.

Driving for dollars.

15% fewer dollars for safe drivers.

If you're a good driver, good enough not to have had an accident or moving violation in the last three years, we'll reward you with a 15% discount on your auto insurance premium.

And if you keep up the good work for another three years, we'll give you an added 5% discount. Just for playing it safe. Better rates for better drivers; nearby

offices for faster claims service. According to the Illinois Department of Insurance, we've consistently had one of the lowest auto consumer complaint ratios in the state. And many of our auto customers are so pleased with the service they receive they came to Country Companies for their life, health, home and business insurance, too. Now that's the Spirit of the Country.

Q. I've saved practically every scrap of financially related paper for about ten years, for tax and other purposes. Needless to say, I'd like to get rid of at least ten of the twenty tons of paper. What is necessary to keep, and for how long?

A. After checking payroll statements against your W-2, dispose of them. Keep cancelled checks as a record of entries on your tax form, and dispose of those after six years. Discard dividend records for the year after receiving the annual record from the company. Unless you plan to sell your house soon, discard records having to do with house maintenance and repair after a year. One hint: If you have large income tax deductions for medications, keep the bills from the drug store, rather than the cancelled check. An IRS audit will require proof that purchases were of qualified drugs and not cosmetics, etc. And, as your paper tonnage decreases, a family filing system might be in order. A general cleanout is a good time to begin one. You'll have a lot less to file.

Special Ed. Region I

Overcoming the fear

Press-Record Photos by Pat Foley

More than 30 students in Special Education Region I trainable mentally handicapped (TMH) classes have been participating this school year in YMCA, TMH classes at the Tri-City Area Special swimming classes at Wilson School, Coolidge Junior High and Venice High School have been involved in the swim program with the main goal being to teach the students to overcome the fear of water and to "drownproof" the students. Many have never experienced being in water except for daily personal hygiene.

Carolyn Darst is the teacher of the high school class in Venice. She is assisted by Lillian Mangiaracino and Rosemarie Cooper. Diane Evans is the Coolidge instructor, assisted by Ben

James, and Ann Harzell is the teacher at Wilson, assisted by Gayle McCormick. Karen Smith, of the "Y" staff also assists with the classes.

Photos, clockwise from top left — Eric Coble, left, and Donald Turner, both Granite City students, use paddle boards as they swim across the pool. Venice teacher Carolyn Darst, second from right, starts a race among five of the better swimmers in the Venice class. Mike Jennings, a junior high student in his first year swimming, aided by adult volunteer Pat McAmish, floats with the help of a life jacket. Cheryl McCallister, a Venice student, uses a paddle board for support and is helped by Tom Tucker, an adapted physical education instructor for Region I.

More credit for care of a child or dependents

Taxpayers eligible for the child and dependent care credit will find that new tax laws increase the credit for amounts they spend for child care in 1982, the Internal Revenue Service says.

Beginning in 1982, taxpayers qualifying for child care credit will be able to claim up to \$2,400 for one dependent instead of \$2,000 under the old laws, and \$4,800 for two or more

dependents instead of the previous \$4,000. The rate of credit is 30 percent of qualifying child care expenses if the person claiming the credit has an income of \$10,000 a year or less.

This rate then drops by one percentage point for each

\$2,000 of income above \$10,000, until it reaches a rate of 20 percent for taxpayers with incomes above \$28,000.

Taxpayers can claim the credit for care of a dependent child under 16 years old or a disabled spouse or disabled dependent.

These expenses must be for the well-being and protection of a qualifying person and must allow the person claiming the credit to work.

Taxpayers requiring additional information on child care credit benefits may obtain a free copy of IRS Publication 503, "Child and Disabled Dependent Care," by using the order blank in their tax package.

\$3,000 French minimum
The minimum old-age pension in France amounts to about \$3,800 per year per person. This allowance, which goes to some 2 million senior citizens, has more than tripled since 1974. Its purchasing power increase has averaged nine percent a year.

Tigers defeat Steelers; North, Althoff share title

By ROGER KRAMER

EDWARDSVILLE — Pat Braun is the reason why Granite City North will have to share the Gateway East Conference baseball championship with at least one other team this year.

Braun threw a one-hitter against the Steelers Monday and led the Tigers to an 8-0 win over North. The loss means North will share the GEC title with Belleville Althoff and perhaps Granite City South.

The Tigers have had a resurgence in the last two weeks, and Braun perhaps best illustrated the Edwardsville's turnaround.

Braun had nothing to lose in going all out against the Steelers. The Tigers were out of the conference race with an 0-6 record prior to Monday's game, and Braun had lost four of those games, including a 6-5 decision to the Steelers in April.

His team also had nothing to lose. After going winless in the first half of the season, Tiger coach Tom Pile started the season over with a new lineup and the Tigers have been 9-7 in the last two weeks. Six of the seven losses have been by one run.

Although Pile wanted to beat the Steelers just to build up the Tigers' confidence in themselves, Braun was going just for a bit extra.

"We wanted to beat them today because this was an important game, and I wanted to beat them because I had lost four conference games. We wanted to play the role of spoilers," Braun said.

The Tigers played the role beautifully. Not only did Braun pitch brilliantly, his teammates played errorless ball and got the clutch two-out hits. The Steelers were frustrated.

"I think we were scared," North

"I think we were scared. I think we were scared of winning the conference title by ourselves."

Bob Stegemeier
Steeler baseball coach

coach Bob Stegemeier said. "I think we were scared of winning the conference title by ourselves."

Braun was well rested for Monday's game. He had pulled a shoulder muscle two weeks ago and felt stiffness in the arm last week. On Thursday, Braun tried light throwing and on Saturday, he put his arm to the test.

"Coach told me the decision was up to me whether I could pitch today," Braun said. "My arm felt pretty strong and I wanted to pitch."

Braun's decision was the worst thing that could have happened to the Steelers. Braun had good velocity on the ball and good control. He walked just two batters and hit one batter.

Steve Trittschuh picked up the only Steeler hit, a fourth inning single. Other than Trittschuh's hit, all the Steelers did was pop-up or ground out.

Meanwhile, the Tigers took advantage of all three Steelers errors and the two out hits.

In the first inning, Kevin King reached on an error and eventually scored on an error when North catcher Daren DeWoe dropped the ball on the tag.

In the second inning, Derrick Mosley

and Brian Pouch singled. With two out, Brian Paddock drove both runners home with a triple.

Paddock doubled home Pouch in the fourth inning with a double, and Dave Vieth followed with a two-run home run over the left field fence. Both hits came with two out.

Finally, Pouch doubled and King reached on an error in the sixth inning with no one out. Two outs later, Scott Gerdes drove home both runs with a single.

"They were just a better team," Stegemeier said. "They hit, pitched and fielded better than we did. We weren't aggressive at all."

On the other hand, Pile couldn't have been happier.

"We've improved 100 percent since we started over. The most important thing you want in coaching is to improve, and we have improved a lot this year. We weren't worried about the conference, all we want to do is win," Pile said.

"Our hitting and pitching has been pretty good, but our fielding's been our problem. We've won every game but once we've made three errors or less. Of course, Pat pitched a super game

GOTCHA. Steeler shortstop Steve Trittschuh catches Edwardsville's Scott Gerdes in a run down during Monday's game in Edwardsville. The Tigers defeated the Steelers 8-0.

(Press-Record Photo by Roger Kramer)

too," Pile said.

The Tigers are a bit younger than the Steelers. Edwardsville started two

seniors, five juniors, and two sophomores. Pile was particularly

impressed with the sophomores, Todd

Hansel and Paddock.

Paul Barrington took the loss for the Steelers and pitched the entire game.

Edwardsville jinx continues; upset Warriors 2-0

By ALAN L. GERSTENECKER

Sports Editor

of the Press-Record
GRANITE CITY — Later, the Edwardsville Tigers have been

spoilers. Tuesday evening, the Tigers shut out Granite City North 8-0. That was a game the Steelers needed to clinch the Gateway East Conference.

Wednesday, the Tigers did it again as they held a Granite City baseball team scoreless for the second time in as many days, edging Granite City South 2-0 in nine innings.

That too was a game that South needed to keep pace with North and Belleville Althoff in the conference.

"We're a young team, that's finally coming along," said Tiger coach Tom Pile. "We're playing some good ball. It was the errors that have been killing us. Tonight we didn't have any."

Errors must've been something Pile was counting throughout the game, because he figured them correctly. Something else Pile figured correctly were hits.

"We're hitting the ball better. What'd we have eight hits? I think South only had two," Pile said.

Hits and runs scored were not the only statistics the Tigers accumulated that benefited the Warriors. Edwards-

Granite South Warriors

ville's aggressiveness left three times as many men on bases as the Warriors, 9.

One statistic that the Warriors surprised the Tigers in were errors. South managed two to Edwardsville's none.

Warrior coach John Modica explained the Warrior letdown:

"This was our third game in two days. I think the kids are tired. I know I am."

Tuesday night South swept a doubleheader from Belleville East, winning the first game 6-4, and the nightcap 6-2.

"We battled back in both games last night. I think we were empty tonight," Modica said.

In Wednesday's rapid-paced defensive battle, both pitchers, the Warriors' Joe Schnefke and the Tiger's Brian Clawson pitched brilliantly. Tiger reliever Derrick Mosley dazzled

the Warriors with five strike outs in the final three innings.

For South, Schnefke went the distance. Mosley relieved Clawson in the seventh.

Edwardsville scored its runs in the top of the ninth inning with two outs. Mosley singled, directly contributing to his win. Following a stolen base that put Mosley's courtesy runner on

dropped a fly ball in left field allowing Edwardsville to break the deadlock.

With designated hitter Tim Blythe now on second, Edwardsville's Tim King doubled to score Blythe, giving Edwardsville a 2-0 lead.

The Warriors were unable comeback in their half of the inning. Schnefke, who had both of South's hits, was tagged with the loss. Mosley got the win.

Warrior George Diak goes through the motions.

State Meet, Districts this weekend

By ALAN L. GERSTENECKER

Sports Editor

of the Press-Record
As far as big sports weekends go, this is one of the year's biggest.

For starters, Friday is the first of the two-day 1982 IHSA Girls' State Track Meet at Eastern Illinois University. Tracksters from all over the state will compete against the best Illinois has to offer.

The Quad-City area will be represented in four events, an honor the Madison Trojannesque share alone this year.

Madison's Regina Banks will compete in three of Madison's four events, the 100 and 200 meter hurdles and the mile relay. Last weekend Miss Banks finished second in both hurdles, behind two different Columbia hurdlers. She is also a member of the second place mile relay team.

In the 100 meter hurdles Miss Banks finished behind Columbia's Schaeffer. Schaeffer ran the event in 16.0, 32

seconds faster than Miss Banks.

In the 200 meter race, Miss Banks finished second to Columbia's Stechmeyer. Miss Banks finished just four-hundredths of a second behind the Columbia hurdler. Ironically, Miss Banks has previously beaten both hurdlers.

In addition to qualifying for both hurdles, Madison will be represented in the mile relay this weekend in two relays. In the first, the 400 meter relay, the Trojanettes will send Rose Clay, Cheri Ware, Jowanna Dillon and Jerriann Ware to Charleston.

Last weekend, the girls finished second behind Mt. Olive. The Trojanettes' time of 8:37 was 1.63 seconds off the pace of the Wildcats. In the final event, in which the Trojanettes qualified for state competition was the mile relay.

Representing the Trojanettes in the mile relay this weekend are Gina Griggs, Mia Jenkins, Regina Banks, and Traci Parker. The Trojanettes qualified for state competition by

means of their second place finish behind Litchfield's time of 4:18.76. The Trojanettes posted a time of 4:18.9.

Also beginning on Friday is the Class AA Regional Boys' Track Meet at Belleville East. Both of Granite City High School's will compete against the best in the area, prior to the State Track Meet next weekend.

Field events, excluding the triple jump which will begin at 1:30 p.m., will begin at 2:30 p.m. All track event will begin at 3 p.m. Also getting underway this Friday are the Regional Tennis Districts. Granite City South will host the tournament featuring Alton-Marquette, Alton Sr., Civic Memorial, Jerseyville, Trossard, Wood River, Granite City North and Granite South.

Double matches will be played at the high school courts on Grand, while singles will be played at the Wilson Park tennis courts on Benton Street.

Friday tennis action will begin at 2:30 p.m., resuming at 9 a.m. on Saturday.

This season in the mile, turned in an excellent 5:14.

Coolidge's strongest feature through the years was team depth with large squads participating. The tradition of winning seems to cultivate winning and the elders of Granite's Coolidge Junior High School presented Coach Parker with this great gift ... winning tradition.

State Select Team chosen

JACKSONVILLE — Following four exhibition soccer games last weekend, eighteen youths from both the under 16 and under 19 Southern Illinois Select Soccer Teams have been named to State Select Team.

Following a 3-2 loss on Saturday, and a 4-2 loss on Sunday to their northern counterparts, eight members of the under 16 Southern Select Team were chosen to represent Illinois in regional action.

Southern Illinois' Under 16 Select Team faced somewhat better as they managed to shut out their northern counterparts in both of their games to win 2-0 on

Saturday and 3-0 on Sunday. Ten Southern team Under 19 members were named to the State Select Team.

Those selected from the Southern Under 16 Select Team include: Chris Owsley, Troy Moore, Steve Petrunich, Nathan Crane and Jim Crews from Granite City. Matt Sheridan was selected to the team, but had to decline due to the IHSA District tennis match this weekend. Sheridan plays second singles and first doubles for the Warriors.

Others named to the under 16 Select Team from the Southern team include: Mike Rook and

Marty Carrow from Alton; Mark Mahat from Collinsville; and Greg Reis and Devin Reeves from Quincy.

The 10 persons from the Under 19 Southern Team include six from Granite City: Rich Moore, Jim Kelahan, Bill Herry, Barry Grote, Rick Branding and Tony Segobiano.

The other four members rounding out the Under 19 team include Gerry Modgin and Jay Hook of Collinsville and Jim Sanderoock and Tim Thomas of Quincy.

This weekend, both State Teams will travel to Cleveland, Ohio, to vie for the Mid-West team.

Parker to resign as Coolidge track coach

After 17 years as head track coach at Coolidge Junior High School, Keith Parker is retiring from track.

Parker has been associated with the sport for over 30 seasons. He previously coached at Roxana, Bushnell, Maplewood, Richmond Heights, Mo. and assisted at South High School before going to Coolidge.

The Coolidge track team has been a power in the area with an enviable record in dual and triangular meets of 107 victories - 7 losses - including 13 city championships. They have won the Madison County Conference 7 times and finished second 6 times.

The Braves have been contenders in every big meet they have entered in the past. Their relay team, East St. Louis

invitation; Roxana invitation; Collinsville invitation and Mascoutah invitation. Most of these meets hosted in teams or more and Coolidge consistently ran in the money.

The 1982 squad was no exception. Some of the outstanding performances included new records in the 100 yd. hurdles by Todd Isom in 13.8 seconds; Pat Keeling set a new standard in the

triple jump, soaring 37'8" and long jumping 18'9"; the mile relay team of Pat Harrigan, Pat Griffith, Steve Houston tied the old record of Frank Holmes, Doug Hartman, Kevin Kozan and Don Meagher with a fine time of 3:57.4. Steve Houston and Todd Isom, both good 1/2 milers - Isom turned a 13:19 and Houston 2:14.

St. Paul silences Red Devils, 19-1

By ALAN L. GERSTENECKER

VENICE — What had started as a close defensive battle between Illini-Gateway conference rivals Venice and St. Paul of Highland Tuesday, ended in a romp as the Vikings silenced the Lady Red Devils 19-1.

"What can I say, we fell apart," said Ken Perkins, Venice's coach. "We stopped thinking. We fell asleep. We stopped playing heads up ball."

In the early going, the game was close by any measure of the word — each had scoreless first innings.

The Lady Vikings took a slim one to nothing lead in the top of the second inning, but Venice came back in the

bottom of the third to tie it at one all. Venice's run resulted from Rosie Harmon's double, followed by Letitia Miller's RBI single.

In the fourth inning for the Red Devils, it was the beginning of the end. Venice's play, which had been well up until then, began deteriorating. St. Paul picked up an additional four runs in that inning to increase their margin to 5-1.

Except for Janice Bradley's single in the Red Devil's half of the fourth, Venice's bats were silent.

In the fifth and final inning, The Lady Vikings blew the game wide open.

St. Paul's lead off batter of the inning, Sally Landmann, batted three times in that inning. In all the Lady Vikings scored 14 runs on 12 hits, three walks

and three errors.

The victory sealed Illini-Gateway Conference crown for the Lady Vikings. Had St. Paul lost, they would have been tied with Worden and Livingston with identical conference records of 6-2. The

Venice
Red Devils

victory adjusts their overall record to 8-4. Venice falls to 2-4 on the season. This evening Venice plays Assumption in the first round of District softball action at John's Park in East St. Louis. Play begins at 4 p.m.

ON THE MOVE. As St. Paul's Tina Prusa throws her pitch, Venice's Rosie Harmon heads for third. Miss Harmon scored Venice's only run in the Red Devil's 19-1 loss Tuesday.

North netters finish 8-10, best season ever

ALAN L. GERSTENECKER
Sports Editor
of the Press-Record

John Van Buskirk is a happy man, despite his team's two losses this week. Monday, his Steelers tennis team lost to conference rival Belleville Althoff 5-2.

Tuesday, the Steelers fell to Mascoutah 5-0.

So, why is Van Buskirk happy with a season record of 8-10? That's the best record any tennis team at North has posted during its brief nine-year history.

"This is the best group of guys I've ever had," Van Buskirk said. "I've had some better individuals, but this is the best team."

In Monday's competition against Althoff, Kendall Whittington, North's first singles player, proved his worth as he defeated Althoff's Brian McGovern 7-6, 6-1 to pick up the Steelers first victory.

In second singles, Dave Lipe fell to

Jeff Praty 3-6, 2-4. Meanwhile, Jesse Byrd lost to Althoff's Eddie Ables 1-4, 3-6 in third singles.

In fourth singles, the Steelers picked up their second and final win of the afternoon as Everett Jolly defeated Tony Lacenel 1-6, 6-0, 6-0.

Althoff swept the doubles competition, winning all three matches.

In first doubles, Whittington and Lipe fell to Althoff's Tim Gagen and Kevin Effinger in straight sets 4-6, 3-6.

In second doubles, Jolly and John Acosta fell to Althoff's Bill Burnworth and Mike Murphy in three sets 7-6, 1-6, 2-6.

In the final match of the afternoon, Mike Lauderdale and Scott Dennis lost to Craig Lintz and Mark Szwed 4-6, 0-6.

Mascoutah's rain-shortened match with North ended with a similar result. In first singles, Whittington lost to Mascoutah's Tom Eskridge in straight sets 2-6, 6-7.

Lipe was defeated by Mascoutah's

Granite North
Steelers

Derrick Burnette in second singles 1-6, 2-6.

Third singles competition between Jolly and Brian Dawson is unfinished. Dawson won the first set 6-4, and Jolly won the second set 7-5 before rain cancelled play.

In third singles Byrd was defeated by Mascoutah's Jeff Morio 1-6, 4-6. The first doubles competition was the only other match left unfinished. In that match, Whittington and Lipe were

trailing Mascoutah's Eskridge and Burnette 3-6, 4-4 in the second set.

In second doubles, Jeff Rush and Jolly were winless against Mascoutah's Scott Simon and Doug Dawson, 0-6, 0-6.

In the final doubles match, North's Mike Lauderdale and Scott Dennis were defeated by Mascoutah's Joe Archer and Mark Simon 5-7, 3-6.

Friday the Steelers will compete in IHSA District competition at Granite City South. Play begins at 2:30 p.m.

Warrior netters drop two, end season 7-14

GRANITE CITY — With a loss Monday to Belleville and another Wednesday to Collinsville, the Granite City South Warriors end their 1982 tennis campaign sporting a .333 record.

For Warrior netter coach, Rich Harmon, it's only his second losing season in 28 years as the Warrior headman. The other losing season, he vaguely recalls, was in the "late '60's."

"I don't like losing. In fact they (the opposition) usually let me win because they know what a sore loser I am," Harmon said jokingly. Despite the Warriors' poor showing this season and Harmon's apparent gruff attitude, he's optimistic about next year's team. "I played a lot of kids this year. I hope I was able to kindle enough in-

terest to get the kids to play this summer. The ones that practice this summer will be the ones on the courts next year," Harmon said. "All of the kids are capable of being good players next year."

In Wednesday's match, John Menendez lost to Collinsville's John Quarengli 6-4, 6-3.

In second singles, Matt Sheridan defeated Dave Halloman 7-6, 6-4 for South's first win.

In third singles action, Charlie Miles picked up his fifth singles victory of the year as he defeated Pat Fetter 3-6, 6-2, 6-3.

Kevin Dickerson fell to Greg Wicker in fourth singles 6-3, 6-0.

Doubles competition began on a

negative note for the Warriors as South's Menendez and Sheridan lost to Quarengli and Halloman 6-2, 6-3.

Tom Hitt, playing in his first second doubles match, teamed with Miles to defeat Todd Zamoroni and Scott Bonbright in identical sets of 6-2.

Granite South
Warriors

In the final match of the afternoon, Don Kalmayer and Brian Sparks lost to Collinsville's John Stringer and Paul Loyel 6-2, 6-1.

Beginning Friday afternoon, Menendez, Sheridan, Dickerson and Miles will advance to District competition at South.

GC netters seeded high

GRANITE CITY — Five Granite City High School tennis players have been seeded high in the IHSA Regional District Tennis Tournament to be held this weekend at Granite City South.

The two Granite Cityans drawing the highest seed are Granite City High School South's junior John Menendez and sophomore Matt Sheridan. The duo are seeded first in doubles competition.

Afterward, the two will face Granite City North's Jeff Rush and John Acosta.

Granite City High School North's first doubles team of Kendall Whittington and David Lipe drew the third seed. The

two Steelers will face Alton-Marquette's Pat Roach and Jeff Finn in the first round.

Between both doubles team in second doubles seed is Wood River's team of Barry Craig and Rick Kuehnel.

In singles competition, North's Everett Jolly drew the third seed. Jolly will face Alton Sr.'s Eric Stoutenborough in the first round.

Other Granite Cityans to compete include South's Charlie Miles and Kevin Dickerson in singles competition, North's Jesse Byrd also in singles competition, and South's Brian Sparks and Don Kalmayer in doubles competition.

Cougars pick up another recruit

EDWARDSVILLE — Head Basketball Coach Tom Pugliese has signed his seventh recruit of the season to a basketball letter of intent. Lamont Lampkins, a 6'6" junior college transfer from Mineral Area Community College Cardinals, will join the Cougars for the 1982-83 campaign.

Lampkins, a native of Washington, D.C., joins the Cougars on the wake of an outstanding junior college career. While with the Cardinals, Lampkins averaged over 12 points and nine rebounds per outing. He was also named to the All-District 16 team and the All-Regional squad. Following the 1981-82 season, Lampkins was selected as a member of the Missouri-Illinois Junior College All-Star game.

Lampkins, who did not play high school basketball, began his athletic career while in the United States Army. Stationed in Fort Knox, Ky., Lampkins averaged 18 points and 12 rebounds in his first year of organized basketball. He also battled his way to the Washington Jets of the A.A.U. league and averaged

over 22 points and 10 rebounds.

Lampkins joins Greg Sizemore (Deerfield), Brad Blockell (Burbank), Lars Graf (Lincoln), Jeff Condit (Barrington), Curtis McGriff (Verona, Pa.) and David Billingsley (Buncombe) as the latest additions to the 1982-83 basketball Cougars.

The English Football Association Cup final and the European Cup final will be televised nationally in the United States.

The FA Cup final, pitting Queens Park Rangers against Tottenham Hotspur

will be televised "live" on May 23 by the Entertainment Sports Programming Network beginning 10 a.m. eastern time.

ESPN's coverage will mark the first time the FA Cup final has ever been televised "live" in the U.S. The Spanish International network (SIN) will televise the European Cup final between Bayern Munich and Aston Villa on May 26 at 2 p.m. eastern time.

Civic tryouts this weekend

EDWARDSVILLE — Tryouts for the 1982 Southwestern Illinois Civic semi-pro baseball squad will begin this evening (Thursday) at Hoppe Park starting at 7 p.m., team manager Pat Peterson has announced.

"Every position is open," Peterson said, "former Southern Illinois University at Edwardsville All-American shortstop and good enough to play three seasons in the New York Yankees' Triple AAA farm system."

Peterson, who has named Bobby Hughes as playing manager, has announced a schedule of 60 games.

Back and almost sure to win berths on the '82 Civics are: Granite City's Jim

Greenwald and Jack Scarborough. Greenwald paced all Civics hitters in the 1981 campaign with a lofty .355 average. The fleet and sure-fielding Scarborough hit the ball at a sensational .320 clip.

Lost to the squad, though, is shortstop Mike Robertson who is expected to play this summer up at Normal, Ill., in the Central Illinois Collegiate League.

For those who can't make it to tonight's trials but who want to be considered, please call Mr. Peterson at: 656-1790 (his office), or 656-9192 (his home).

Planning the last black ink Olympic Games

By LEW SCARR
LOS ANGELES — The future course of the Olympic Games, perhaps for all time, hangs in the heavy, gray air of this coastal basin.
And if the 1984 Olympics here are a success, it indeed will be an event of historic proportions. The Olympic Games are probably the biggest single event that can happen to a city, short of an eight-point earthquake.
But lately they have become so unattractive that Los Angeles was the only city in the world bidding for the 1984 version. The only other city that expressed earlier interest was Tehran, and it withdrew. Just as well.

The problem has not been fear of political controversy, though that certainly has been a factor, and on, at Games during the past 80 years. The problem has been financial.
Not since the 1932 Olympics, also held in Los Angeles, has an Olympic bid paid its own way. Montreal, after the 1976 Games, was stuck with a bill for \$1 billion. It is not surprising that cities have been reluctant to bid for the right to contribute to their own bankruptcy.
(The 1980 Olympics, held in Moscow, can be discounted. The Soviets, with their state-controlled economy, covered their nearly

\$9 billion in expenses with the budget for defense. Or something.)
So when the City of Los Angeles, led by Mayor Bradley, boldly bid for the '84 games, many thought everyone concerned was a little crazy. Bob Ronka, then a Los Angeles city councilman, was among those questioners, and he joined others in calling for a sanity test, in the form of a public vote (successful) in 1978 forbidding any city expenditures that could not be paid back.
Support for the Games wavered at that point, and, in fact, the city almost lost them — but no other city would take them. The Los Angeles Olympic Organizing Committee (LAOC), undaunted, agreed to run the Games like a business: pay-as-you-go, cash-and-carry. It planned, with the aid of carefully selected large corporations, to build any needed new facilities on a donor basis. These sponsor companies could be held to a minimum (\$30

because Los Angeles, perhaps the most successful major sports city in the world, already has most of the needed facilities. The Coliseum, used in the '32 Olympics, could be used again with modest improvements and a new synthetic track.
The Sports Arena next door could be used for boxing, the Forum in Inglewood for basketball, the Rose Bowl in Pasadena for soccer, and so on.
It was felt that businesses, especially those with a commitment to sports and young people, would be only too glad to foot the bill for any facilities that had to be built.
And they were. All of the money for the proposed \$450 million budget is supposed to come from 30 corporate sponsors. All but six of those sponsors have been signed up, and, according to LAOC president Peter V. Ueberroth, those still needed can be chosen from a list of more than 50.
This successful commercial partnership with a traditionally clean-hands, amateur venture like the Olympics has stirred cries of commercialization.
It is a tempting complaint. Coca-Cola is spending \$15 million to provide products and equipment; Anheuser-Busch is offering \$11 million in products and for equipment; Atlantic Richfield, \$9 million to refurbish the Coliseum and to build seven training tracks; McDonald's, \$9 million for a new swimming and diving stadium at University of Southern California.
The richest contract of all is with the American Broadcasting Company, for television coverage. ABC is paying \$25 million for domestic TV rights, which may be the biggest commercial risk-taking of all.
"On that (matter of commercialization) we are very proud," Ueberroth said. "We can stand tall. We have dramatically reduced commercialism over any Olympic Games."

SMITH SIGNS
Steve Smith of Granite City North High School has signed a national letter of intent to wrestle at Illinois State University.
Smith, a three-time IHSA state champion, placed third in the Class AA meet at 119 pounds in 1982. He finished the season with a 36-1 record along with a 98-18 career mark.
According to ISU wrestling coach George Girardi, "Steve's real good on his feet and is a pinner with a chance to start at 126 pounds next year."
Smith, a good student according to Girardi, plans on majoring in pre-dentistry at ISU.

340 at Student-Employer banquet

By VALERIE EVENDEN

There are 70 companies and business firms at which Granite City high schools students involved in the Off-Campus Education and Extended Classroom Program currently are working and, it appeared, many of the participants attended last week's gala "Student-Employer Appreciation Banquet."

More than 340 employers or supervisors and their student employees convened in the Granite City Township Center for the eighth annual banquet to be given under the auspices of the Granite City School District's Off-Campus Education Program and the Off-Campus Advisory Committee.

Welcoming remarks were offered by Granite City Sup. of Schools B. J. Davis, who said the Off-Campus Education Program "is well and prospering and will continue to grow, thanks to the agencies and employers in the program."

"We are very proud of you employers and we believe this is a very practical program," he noted that district administrators are open to

any suggestions from the employers relating to the program.

Thomas C. Holloway, director of Vocational and Career Education, also expressed his appreciation, commenting "Without the support of the board of education and the employers the (Off-Campus) program would never work."

School Board President George Moore responded, stating "The board is proud of the Off-Campus program, its dedicated staff and the business community and the young people in the program."

Donald Shaffner, Off-Campus and Career Education coordinator, served as master of ceremonies and introduced the guest speaker, Jimmy Tuetken, director of Public Relations and Volunteer and Media Services at St. Elizabeth Medical Center.

Reviewing her career, Mrs. Tuetken said she first worked for the May Co., but then changed fields and joined the staff at Alton State Hospital under an internship program.

She discussed her first impressions upon beginning an intern at Alton State and

graphically described the dismal conditions found in the locked wards at that time.

"There were 100 women standing around or sitting on benches in state-supplied dresses. The despairing look in their eyes, the bow-type haircuts. A slight you don't forget," she said. "About 2,000 patients were in there, some had been committed for 20 years, and when offered their release, many would refuse. They felt safer in that surrounding, no matter how horrible," she explained.

Mrs. Tuetken later decided to return to college and obtained a master's degree in communications from the University of Missouri at Columbia. Initially, she had earned a bachelor's degree in speech and theater at Southern Illinois University at Edwardsville.

She went on to instruct at the college level before joining St. Elizabeth Medical Center staff as director of volunteers. Her job soon expanded into other areas and she found herself a photographer, a journalist and a planner, duties which she originally had no ex-

perience, she said.

"Life is a process of change and you've got to know when to move...when to take a chance...be ready to change. Twenty years from now you will not be doing what you are thinking of doing now," she told the young people.

John Svezia, vice chairman of the Off-Campus Citizens Advisory Committee, introduced members, including Dick Ervay, Mr. and Mrs. Robert Jones, C. A. MacMillan, Larry Miller, William Monical, Ruth Nicholas, Karen Onatit, Paul Racziewicz, Al Rowden, David Schermer, Treva Bridges, Valerie Even-den, Walter Milton, Connie Thrasher, Sharon Werner and Don Wolf.

Coordinators in the program present were Bette Dumont, Janet Davisory, Jim Reid and Judi Sparks, North High; Jeanette Holder, Charles MacMillan, Mike Rousseau and Al Turner, South High; and Donna Dansey, Alternative School.

Shaffner said that employers for the 1981-82 school year provide 100 training stations in such areas as cosmetology, health, industrial and

interrelated occupations, distributive education, personal and public services and office occupations.

Among the area employers and training stations, some involving more than one student, are:

AAA Credit Service, Arnette Pattern Co., Baskin-Robbins, Beef Baron, Bellemeor Animal Hospital, Bernard Davidson and Kaseberg law firm, Bowland, Boy Scout office, Attorney Bill Brandt, Steven Bristol Insurance, Burger Chef, Callis and Hartman law firm, Central Hardware, Chapman and Carlson, attorneys, Chockstone, Circuit Clerk's Office.

Cohen's Market, CPE, Dempsey-Adams Auto Body, The Doll Lady, Fabric Store, Family Thrift, Farm Fresh, Farmers Home Administration, Peter Greehouse, Finley Plating, Fox Industries, Gebco Machine, George's 66, The Gold Works, Grandpa's, Granite City Army Installation, Granite City Dental Lab, Granite City News Co., Granite City School of Beauty, Granite City Steel, Granite City Car Center, Dr. Robert Hill, Huebner

Hardware, Granite City Steel Credit Union, Humpty Dumpty Day Care, J & R Bicycle World, Jack in the Box, Kamadulski Excavating, KBM Associates, Inc., Kentucky Fried Chicken, K-Mart, Kroger, L & M Contracting, Lots of Tots Day Care, Madison County Federal Savings and Loan.

Madison County Mutual Auto Insurance, Silk, Baer and Fuller, State Farm Insurance, Special T Automotive, Spartan Gas, Soccer For Fun, Inc., Memorial Chapel, Mr. B's Fancy Kremer, Olin, Inc., Parkside Market, C. D. Peters Construction Co., Pep Gas and Wash, Ponderosa, Pontoon Mobil, Prairie Farms Dairy, Processors Credit Union, Ravanelli's, Ray's Truck Plaza, Red's Truck Service, Richard's Towing, Ruth and Baby's, Schermer's Market, Shapiro Sales Co., K. K. Stratman, Taco Bell, Tootsie's, Tri-City Park Child Care Center, Winner's Circle, Wolff's Clothing and Woodome Olds, Inc., St. Elizabeth Medical Center, Granite City School of Beauty Culture, Oliver C. Anderson Hospital, Colonial Haven Nursing Home.

OUTSTANDING SCHOLAR. Sister Marie Monica Hight, principal of St. Margaret Mary School, presents Paul Rhodes with a certificate of award for outstanding scholars who will be freshmen at St. Louis University High School this fall. Outstanding scholars are those who ranked in the top percentile of those students accepted at SLUH. He ranked in the 98 percentile on the school's entrance test. He is the son of Jerry and Ella Rhodes.

Mailbox Improvement Week is underway

Now that the snowplows have been put away, the Postal Service is urging postal patrons — and especially those on rural routes, city curbsides and highways — to turn their attention to repairing and improving their mailboxes this week, which is Mailbox Improvement Week.

"This winter was especially rough on mailboxes," said Postmaster Jack D. Wilkins. "Now the effects of weather, vandalism, abuse and neglect are evident in leaning support posts, rust and corrosion, broken hinges on doors and missing box numbers and names."

Noting that rural carriers alone serve more than 15 million boxes daily, the Granite City Postmaster said a damaged or improperly placed box will make it more difficult for rural letter carriers to leave these special letters and

packages. "Of course some boxes may need only painting," the postmaster said, "but others may need to be replaced."

The postmaster said the Postal Service has restrictions on the type of mailbox customers may choose. Rural customers must erect mailboxes which have been approved for use on rural routes. Should customers prefer a custom-made mailbox, it must meet certain standards for size and strength and be approved by the postmaster before being placed in use. Postmaster Wilkins said a variety of approved commercial mailbox designs are available for use with decorative posts, and those who would prefer a custom-made mailbox, or who need information on mailbox specifications and requirements in general may check with the Granite City Post Office.

Ables on cable TV show

R. D. Ables of Granite City talks about the early history of this area on the next "Coffee Break with Gregg McGee" television program. The presentation was

given at the May meeting of the Old Six Mile Historical Society and taped for viewing on Channel 1 of South-Western Cable Television.

Wilkerson to address Urban League tonight

Will Wilkerson, co-host of the KMOX Radio Total Information A.M. program and a broadcaster of St. Louis Cardinal and University of Missouri football games, will be the guest speaker at the fifth anniversary banquet of the Madison County Urban League tonight at the Washington Ballroom, 19th Street and Edison avenue in downtown Granite City.

Wilkerson will speak on the Urban League's theme, "New Strategies for Changing Times." Awards will be presented to area industries, including Granite City Steel, Laclede Steel, Monsanto, Olin and Peapack Company. Willie Walker, executive director of the Madison County Urban League also will give a brief annual report.

A previous news article indicating that the event was last Thursday was in error. Tickets for tonight's event are \$12.50 per person.

Boy, 13, runs against truck near school

A pedestrian, Jason E. Hill, 13, of 2634 Benton Street ran against the left front side of the pickup truck of Mark Turner, 26, Trenton, Ill., in the 800 block of Madison Avenue near Granite City High School South at 3:30 p.m. Monday.

Taken by ambulance to St. Elizabeth Medical Center, the boy said he never saw the southbound truck.

The pedestrian ran west across the four-lane street and was waved on by a motorist who had stopped his southbound auto to make a left turn into a restaurant parking lot.

The truck was traveling in the outer lane and was passing the halted car.

Crackdown on GC city car licenses

A crackdown has been started by Granite City police to enforce the city auto license law.

More than 15,000 stickers have been sold for the May 1982-April 1983 fiscal year, by an estimated 50 additional motor vehicle owners have failed to purchase city licenses.

To avoid arrests, owners may purchase municipal auto tags at the city clerk's office in the City Hall. The price at this time of the year is \$10.

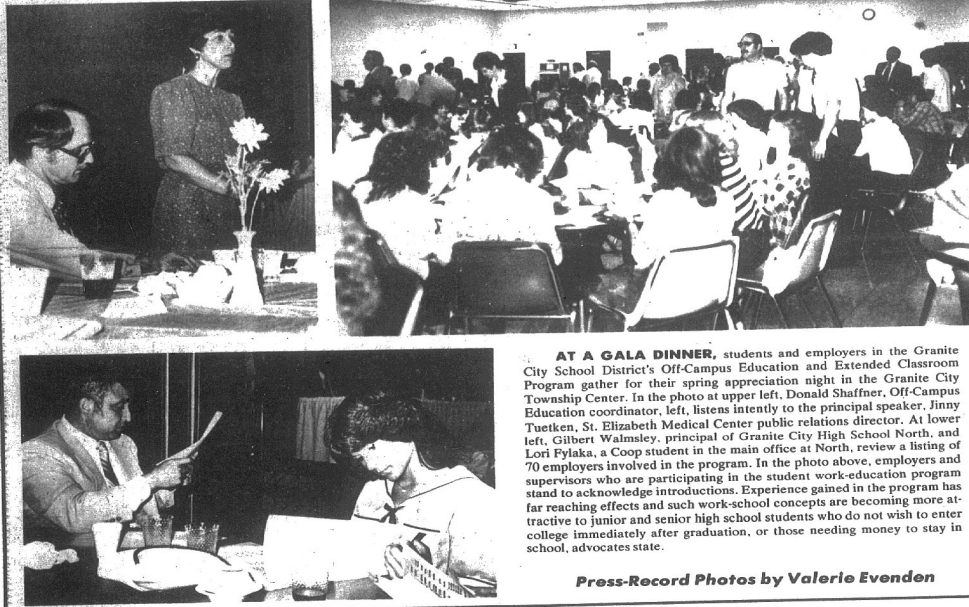

Those who are apprehended for failure to obtain licenses must buy them and also are subject to a fine of \$35 plus \$15 court costs, a grand total of \$50.

Along with monitoring vehicles that pass a given street location, police officers also are filing city license charges, where appropriate, when they assist at traffic accident scenes and when they halt drivers for other violations.

Eight license arrests occurred Monday and the drive continued Tuesday and Wednesday.

ACCEPTED AT BRADLEY

Janet Sue Burnett, daughter of Jack and Martha Burnett, 4 Mercer Drive, Granite City, has been accepted for admission at Bradley University in Peoria, Illinois for fall semester 1982. A graduate of Granite City High School South, Janet plans to major in nursing.

Arrest 2 men for molesting 4 children

Two men are being prosecuted for allegedly "taking indecent liberties with a child," in connection with incidents in which there were said to have been repeated sexual relations with children.

Harcen W. Hogue, 28, of 213 Benton St. was transferred to the Madison County jail on Monday after being arrested in Granite

City during the weekend on three counts of taking indecent liberties.

He pleaded innocent at a court hearing, where his bond was set at \$50,000.

Allen G. McGiffin, 27, of 324 Princeton, State Park Place, Natomah Township, was booked at 1 p.m. Monday at the Granite City police building on one count of taking indecent liberties with a child.

The arrests followed a major investigation in which Granite City police participated along with the Illinois Department of Children and Family Services.

Persons in several counties were interviewed,

with many of the interviews recorded on videotape.

The efforts leading up to the filing of charges were coordinated by Granite City Detective Craig Norn over a period of ten months.

Two boys and two girls were victimized, it is alleged. Their ages ranged from 11 to 15 at the time.

Among the actions taken by the Department of Children and Family Services were placement of several youngsters in foster homes.

The children were initially assigned to new homes in August 1981 and they remain in foster custody. They are described as fearful of reprisals against them.

A police spokesman said elements of the long investigation have led to information that is bizarre and saddening.

McGiffin is quoted as

having acknowledged some involvement. Hogue heatedly denies any role and accuses witnesses of telling lies.

Last rabies clinic this Saturday

The last in a series of rabies inoculation clinics in this area is to take place this Saturday at the Granite City Humane Shelter on Missouri Avenue (formerly Route 3) at the northern edge of West Granite.

From 10 a.m. to 4 p.m. Saturday, the staff of the Bellemeor Animal Hospital will be at the city's humane shelter offering rabies inoculations for \$8 per animal. Distemper and parvo-virus shots also will be available for an extra fee.

Ainad parade and circus June 5 in Granite City

The Shriners of Ainad Temple will present its circus and parades for the 16th year starting on June 4 in Belleville with a parade and circus performances June 5 at the Belle-Clair Fairgrounds with two shows set for 2:30 and 7:30 p.m.

The June 6th show will be performances at the Tri-City Speedway on Wednesday, Thursday and Friday, June 8, 9 and 10, and 11, and 12. The DuQuoin Fairgrounds will be the third stop for the Hubler Circus, and a 10 a.m. parade there on Saturday morning, June 12, will precede the show that will be at the Fairgrounds that night at 7:30.

There will be a Sunday afternoon show at 2:30 and the final that night, June 13, at 7:30.

The circus has helped the people of Southern Illinois learn about the Shrine and its hospitals, and Ainad sent 388 applications to the St. Louis Unit last year for care, plus 61 they are caring for at the Cincinnati, Ohio, Burn Institute, according to Potentate Mark Moreton of Freeburg.

The nearly 9,000 nobles of Ainad cover the area from Route 70 in the center of Illinois across to both sides of the state to Cairo, and have 40 Shrine Clubs and 40 uniformed units, the potentate added.

Bill Parker, chief rabban and general circus chairman is from Fairfield, Ill.

Caught with stolen ingots

Frank E. Aldridge, 25, Collinsville, a Tara Corp. employee, was charged with felony theft after being arrested last week near the 16th St. North and Cleveland Boulevard park.

Police alleged recovering from an auto trunk two of Tara's metal ingots valued at \$420 each. Each 60-pound ingot contained 95 percent tin and five percent antimony.

Other ingots had been moved to an area near the plant fence, investigators said.

Also booked for possessing cannabis, Aldridge pleaded innocent and was released at 5:30 p.m. Saturday on \$500 cash bail.

BULLETIN

DEAR NEW CAR BUYER:

There have been many good opportunities to buy new cars in the past couple of years—but the 3-WAY PROTECTION PLAN offered by Chrysler Corporation through May 31st is the most solid expression of confidence and value that I've ever seen.

If you buy any new Chrysler-made passenger car during May, Chrysler will furnish you with a 3 YEAR/50,000 MI. power train protection plan FREE OF CHARGE, and 3 YEAR/50,000 MI. protection plan against over-panel rust through the next five years, until 1987.

And we will perform all scheduled maintenance on the vehicle without charge to you. Come in and we'll furnish you with the terms and conditions in writing.

Here at Granite Chrysler, we've got the qualified personnel to serve you—Nick Huniak in charge of sales, Phil Rebello in service, and Clyde Murphy in parts. We've got 30 years experience in the local market and the BEST QUALITY cars, I've ever seen.

Get your new Chrysler or Plymouth from us and we'll take care of it for the next five years.

Sincerely,
 H. J. "Mac" Matton
 President, Granite Chrysler-Plymouth, Inc.
